On April 9, 1961, PCI advised that at approximately 2:10 p.m. on April 8, 1961, members of the Chicago Branch of Fighting American Nationalists (FAN) gathered at the Consulate General's Office of Israel, 936 North Michigan, Chicago, Illinois, for the purpose of conducting a pro-EICHMANN demonstration. Present in the group were the following:

MATTHIAS KOEHL

[REDACTED]

b7C
b7D

[REDACTED] (ph) from Milwaukee, Wisconsin
[REDACTED] from Arlington, Virginia

PCI stated that for approximately thirty minutes the group picketed in front of the premises housing the Israeli Consulate. Source stated they carried signs bearing the following inscriptions:

"Israel Violates International Law"

"If They Can Kidnap EICHMANN, They Can Kidnap You"

"Zionist Hoodlums Defy Monroe Doctrine"

"Israelis Deny Jury for EICHMANN"

"Try BEN-GURION for Murder of Seven Million Arabs"

"Bigoted Judges to Try EICHMANN Says Chicago Tribune"

"The EICHMANN Trial - the World's Most
Publicized Lynching"

"Stop EICHMANN Lynching"

"World Opinion Demands Fair Play for EICHMANN"

"Communes or Kibbutzim - What's the Difference"
(Source advised Kibbutzim is a Yiddish term for
collective farms systems.)

[REDACTED]

"What About Israeli's Atrocities"

**"Fighting American Nationalists, PO Box 7563,
Chicago, Illinois"**

Source stated that following the demonstration at the Israeli Consulate, the group commenced to march toward the downtown section of Chicago via Michigan Avenue. PCI stated that during the course of this march the participants met with a barrage of insults and curses and were spat upon by on-lookers. He noted that the area through which they passed is heavily populated with Jewish merchants.

PCI stated that once the group reached Michigan Avenue at Wacker Drive [REDACTED] stopped the line of marchers and walked from the group to a nearby police car that had been with the demonstrators from the time they met at the Israeli Consulate. At this point a car bearing two men, who were later identified as [REDACTED]

[REDACTED] both Chicago, Illinois, and which had made several passes near the demonstrators stopped at the curb. [REDACTED] rushed up to the demonstrators and [REDACTED] approached MATT KOEHL with the comment, "let's see your (obscene) sign."

[REDACTED] according to source, began pushing the demonstrators and tearing at their signs and immediately a fist fight developed. Source stated that it all happened so fast that he was unable to tell who actually struck the first blow. At this point the police officers who were in discussion with [REDACTED] a short distance away rushed over and immediately stopped the fight.

b6
b7C
b7D

PCI stated that the FAN members present were generally agreed that they should file assault charges against [REDACTED] and following a discussion with the police officers they all went voluntarily to the police station. [REDACTED] did not want to become involved since they were from out of the city and thus they did not go to the station. [REDACTED] was excluded from possible blame, source stated, since he was in a discussion with the police during the course of the fight.

[redacted]
Upon arrival at the police station [redacted]
and MATTHIAS KOEHL filed assault charges against [redacted] and
[redacted] filed charges against
[redacted] In turn [redacted] counterfiled against MATT KOEHL
and [redacted] counterfiled against [redacted]
[redacted] All were charged with assault.

b6
b7C
b7D

PCI stated that all six of them were detained for approximately forty-five minutes, at which time they were all released on \$15.00 bail each. He stated that a bondsman was not necessary since each of them had the necessary cash.

Source stated that according to the receipt given him the charge is specifically stated as a violation of Section 193-1-7, which he understands is an assault charge. He stated that all have been directed to appear on April 10, 1961, at 10:00 a.m. in Branch 42B of the Municipal Court, 937 North Wood Street, for a hearing.

On April 10, 1961, PCI advised that he and the other members of FAN appeared on that date before Judge STRAZALKA, Branch 42B, Municipal Court of Chicago, at which time the judge ordered the four to submit to a psychiatric examination before Dr. E. J. KELLEHER, Police Psychiatrist, Municipal Court. PCI stated the judge ordered this examination based on his opinion that the four possessed an abnormal superiority attitude. At 4:00 p.m. on April 10, 1961, the psychiatric examination was continued until April 20, 1961, and the hearing on the assault charges has been continued to April 24, 1961, pending results of the psychiatric examination.

Regarding [redacted] source stated that [redacted] mentioned previously, is identical to the (FNU [redacted] concerning whom source has furnished prior information. [redacted] source stated, was in attendance at a recent NSRP meeting held in Chicago, Illinois, on March 29, 1961.

b6
b7C
b7D

Source stated that he has no additional information concerning [redacted] other than he is originally from Chicago and was visiting relatives here during the past week end.

[redacted]

Although both [redacted] participated with FAN their connection with the ANP or with FAN is unknown to source.

Source stated that following the arrest and detention of the FAN members, [redacted] telephonically contacted Commander ROCKWELL in Arlington, Virginia, and furnished him details of the incident. Source stated that according to [redacted] ROCKWELL was elated with the happenings and commended the Chicago FAN group highly, saying he regarded them as his most active group.

b6
b7C
b7D

Source stated on April 10, 1961, that FAN is decidedly a "front group" of the ANP established in Chicago in November, 1960. He stated the expressed purpose for establishing FAN was to create a "training ground" for ultimate membership in the ANP.

PCI noted that he now understands the correct spelling of [redacted]

[REDACTED]

On June 9, 1961, PCI was contacted by SA JOHN W. TOEDT, at which time source advised that the Chicago Branch of the American Nazi Party (ANP) or Fighting American Nationalists (FAN) has been relatively inactive in the Chicago area in past weeks. PCI stated no meetings are being held and no activities are currently being planned.

On June 20, 1961, PCI advised that the FAN in Chicago, Illinois, had recently secured a headquarters located at 2124 North Damen. Source stated the lease had been signed by MATT KOEHL for a period of three years. Source described the headquarters as a store building which contains a small store on the ground level and a six-room flat on the second floor. He stated that FAN has taken the whole building and intends to utilize the apartment as a barracks for members at some near future date.

PCI stated the store will be utilized as a book store to be operated by MATT KOEHL. KOEHL is reportedly in possession of a quantity of unusual books, which he hopes to use as stock in this store.

Source stated that FAN is paying \$150.00 per month rent on the headquarters and though their treasury has been depleted it is believed they will encounter no particular difficulty acquiring the money since it is intended that members will move to that location and share the cost of its operation.

PCI stated that MATT KOEHL has already completed his move from 4504 North Racine to the headquarters and is in residence at that address at the present time. [REDACTED] has stated he intends to take up residence at the headquarters in approximately one month and though he has not discussed the matter with his family he feels that he will encounter no particular difficulty in this respect.

b6
b7C
b7D

The headquarters at the present time does not have a phone, however, it is the intention of the organization to secure one in the near future in MATT KOEHL's name. All utilities will also be paid by the FAN organization and it is the understanding of source that such will also be under KOEHL's name.

[redacted]

Source stated that [redacted] has stated he will reside "off and on" at the headquarters but does not believe he will undertake permanent residence there.

FCI stated the headquarters also has a garage connected with this building in which it is their intention to store the FAN truck, the actual property of MATT KOEHL. At the present time the organization has decided not to identify the building with either FAN or with the ANP although it is the intention of the organization to do so in the future.

b6
b7C
b7D

Source stated that FAN has not been holding meetings in the past several weeks but have had "get-togethers" for purposes of decorating and cleaning the new headquarters. Generally, these "get together" include only [redacted] MATT KOEHL, [redacted] and on occasion [redacted] who has recently become a member of the FAN organization.

FCI stated that [redacted] has recently undertaken new employment delivering Chicago telephone directories although it is the source's understanding that the employment is not actually with the telephone company but some type of contractor who handles the delivery of these books. In this connection FCI stated [redacted] is utilizing the FAN truck for the delivery of these books.

FCI stated that FAN membership cards have been received from the ANP Headquarters in Arlington, Virginia, for [redacted] MATT KOEHL and [redacted]

b6
b7C
b7D

[redacted] expect to receive their cards in the very near future. The cards as described by source are basically white with light blue lines running horizontally on the front and reverse. The FAN eagle appears on both sides of the card. The card carries the inscription "Fighting American Nationalists Membership Card" and states, "The holder of this card is a certified member of the Fighting American Nationalists." Appearing thereon are blanks for the name, residence address and state of the holder and on the reverse a blank for the holder's signature. Also appearing thereon is the number assigned to the holder, most of which in Chicago, source advised, are single digit numbers.

[redacted]

PCI advised that the Anti-Defamation League (ADL) has recently "hit" [redacted]. He explained that [redacted] frequents a bar on the North Side which is operated by a Jewish woman. Through this woman an approach was made to [redacted] by a representative of the ADL. PCI stated that [redacted] was invited to dinner by the ADL representative, however, [redacted] has reported the contacts and invitation to [redacted] who immediately advised [redacted] against any further contacts of this kind. Source stated he has been unable to determine the exact nature of these contacts.

PCI stated that [redacted] is apparently considered as entirely out of the FAN organization in Chicago and it is source's understanding that [redacted] has "taken up the cause" of the John Birch Society.

PCI stated that recently GEORGE LINCOLN ROCKWELL wrote a letter to [redacted] regarding a "Hate Convention" to be held in Washington, D. C., on July 1-4, 1961. The convention is to be sponsored, according to information available to source, by the ANP, however, source stated other organizations are expected to participate, possibly those such as the National States Rights Party (NSRP). PCI stated that MATT KOEHL and [redacted] plan to go to the "Hate Convention" and [redacted] is undecided at this time. Source stated that apparently plans for this convention have not been finalized since details are not generally known in Chicago.

PCI advised that he understands the ANP Headquarters in Arlington, Virginia, has recently acquired a new barracks building, a two-story stone brick home in Arlington. Further details concerning this are unknown to the source.

PCI advised that absolutely nothing has been said in recent weeks concerning the reported publication of ROCKWELL's autobiography and source stated he feels that something must have happened and the proposed publication must have fallen through.

Source stated that no plans have been made for activities for the Chicago Branch of FAN and none will be formulated until the headquarters has been finished. No recruiting has been conducted and no general plans for recruiting have been made although [redacted] has stated that inquiries directed to the organization will be "looked into".

b6
b7C
b7D

[redacted]

PCI stated that the FAN organization is recently in receipt of "FAN programs" and FAN stationery, both of which will be furnished by source in the near future.

b6
b7C
b7D

PCI stated that MATT KOEHL, [redacted] [redacted] have all paid ANP dues through the month of May, 1961.

Source stated that MATT KOEHL and [redacted] are still on supervisory probation following their recent arrest by Chicago police authorities after an altercation occurring at a "neo-NICHMAN" demonstration" conducted by FAN. KOEHL and [redacted] still report on a monthly basis to their assigned probation officers. Source stated that [redacted] [redacted] fan members, and the two Jewish men who were also involved and were placed on probation have recently succeeded in being released from this probation. Source stated that he understands that [redacted] and KOEHL are to appear at Municipal Court on Friday, June 23, 1961, in an attempt to be released from this probation.

PCI stated that [redacted] has stated that he wants to start a women's auxiliary of FAN in the Chicago area as soon as possible. [redacted] has stated that he has "several names" in mind who would be worthwhile members. Source stated that [redacted] has furnished no additional information concerning this matter.

PCI stated that the information concerning the "Hate Convention" he wished to further corroborate with [redacted] or others in the Chicago branch. He stated he will contact the Chicago Office as soon as he has made such contacts.

The American Nazi Party (ANP), referred to herein, which has not been designated by the Attorney General of the United States pursuant to Executive Order No. 10450, is characterized in the latter pages of this report.

Activities of the National States Rights Party (NSRP)

A. Meeting Conducted by Dr.
EDWARD R. FIELDS, Chicago,
Illinois, March 29, 1961

A confidential source made available a copy of the following letter regarding NSRP activity to occur at Chicago, Illinois on March 29, 1961:

"Dear Fellow Patriot:

"If you can attend the meeting in Chicago, come to the Atlantic Hotel, March 29 at 7:00 PM and ask for Dr. Edward R. Fields' room. We will go from there to the meeting hall.

"Faithfully yours

Dr. Edward R. Fields"
(Signed)

The letter dated March 22, 1961, appeared on NSRP letterhead. It was mailed from the "Thunderbolt, Post Office Box 783, Birmingham, Alabama."

(CG T-1, 3/29/61)

A confidential source advised that at approximately 4:40 PM, March 29, 1961, a registration was made at the Atlantic Hotel, 316 South Clark Street, Chicago, Illinois, by Dr. EDWARD R. FIELDS, Birmingham Alabama. The registration was made for a guest room for one for the night of March 29, 1961.

(CG T-2, 3/29/61)

CG 105-4630

At approximately 7 PM, March 29, 1961, a meeting commenced in room 701, Atlantic Hotel, Chicago, Illinois. The meeting was conducted by Dr. EDWARD FIELDS, Head of the NSRP. During the course of the evening, approximately 30 to 35 persons were noted in attendance.

The room rented for the occasion soon became inadequate due to the large number of persons attending and subsequently arrangements were made for the group to adjourn to Joe Socco's Bar, 309 South Clark Street, where the gathering continued the meeting on a balcony at the rear of the establishment.

Source stated that the bulk of the meeting consisted of FIELDS' comments regarding the NSRP's participation in the recent presidential election and of the progress enjoyed by the organization in the South today. Dr. FIELDS emphasized the necessity of forming a local chapter in Chicago. He suggested that if a Chicago chapter is formed, they should meet at least once a week and record the proceedings of the meeting for dissemination to other nearby chapters.

Source stated nothing specific was accomplished. No open efforts were made toward organizing a Chicago chapter of the NSRP; to recruit members for the organization; to secure subscriptions for "The Thunderbolt", the organization's publication; and source noted no appointments were made to offices of the NSRP.

In addition to the comments made by Dr. FIELDS, MAYNARD NELSEN and MATTHIAS KOEHL, Security Officer of the NSRP, spoke before the group. Their comments were basically the same as those of Dr. FIELDS.

Source advised that among those present were five members of the Chicago Branch of the Fighting American Nationalists. Source learned that this group expressed

CG 105-4630

disgust with the meeting and with the idea of the NSRP in general, although the Fighting American Nationalists will undoubtedly continue its connections for the good of their own organization.

Regarding the Fighting American Nationalists, this source advised that the organization is a "front group" of the ANP established in Chicago in November, 1960, for the expressed purpose of serving as a "training ground" for ultimate membership in the ANP.

(CG T-3, 4/3/61)

According to information available, the meeting conducted by Dr. FIELDS on March 29, 1961, was designed solely to dream up enthusiasm for the NSRP and strongly promote the organization's advance by means of the local ballot. Source stated that FIELDS conceded that picketing and demonstrations were all right but the goal of the NSRP could only be accomplished by electing patriots into office.

(CG T-4, 4/6/61)

Source stated Dr. EDWARD R. FIELDS intentionally did not make advance arrangements for this meeting so that he would preclude the Anti-Defamation League in Chicago from forcing cancellation of his reservation and thus his meeting. Source added that Dr. FIELDS claims the Anti-Defamation League has been responsible in the past for such activities and for this reason he did not make advance reservations. Source furnished substantially the same information concerning Dr. FIELDS' meeting on March 29, 1961, as previously set forth.

(CG T-5, 4/5/61)

**B. Proposed NSRP Activity
for June, 1960**

A confidential source advised that information has come to his attention that a group of individuals, identified to him as the NSRP, is to stage a demonstration in Birmingham,

CG 105-4630

Alabama, during the middle of June, 1960. The demonstration is to be scheduled as near the 15th of June as possible, though will undoubtedly begin on a week end.

Source stated that information available indicates, "This is to be the first major demonstration of the group." Plans are for the group to march in Birmingham under the guise of a political demonstration. Some participants are to wear uniforms of an unknown description; however, those uniforms will bear the insignia of the NSRP. Marchers, source stated, will carry banners and placards in support of Governor ORVILLE E. FAUBUS of Arkansas for President of the United States and for Admiral JOHN G. CROMMELIN of Alabama for Vice President.

The "target" of this demonstration, source has learned, is the "fringe-whites." It is planned that door-to-door contacts are to be made with these people to "gain their cooperation." Arrangements have been made, source continued, with a group of Negro "agitators" to throw rocks at the marchers. This action is expected to arouse the "fringe-whites" to demonstrate and work with the marchers and "to get everyone really going."

It is anticipated that violence will be unavoidable and while guns have not been mentioned certain of the marchers will be armed with clubs.

Source added the demonstration is scheduled to be run on a 24-hour basis. Participants will come from all over the country. Available information was that a "couple of strong-arm men" will be in from New York and Los Angeles. Full scale coverage is to be arranged in regard to publicity.

Source said that one EMORY BURKE, Decatur, Georgia, is to "ram-rod" the demonstration. BURKE, source learned,

CG 105-4630

reportedly was recently released from prison and his lawyer together with JESSE STONER, legal adviser of the NSRP, are to be present at the demonstration to assist any of the membership who might be arrested as a result of their activities. JOHN KASPER, widely known segregationalist, if released from jail on time, will also assist in leading this demonstration.

Source learned that knowledge of the plans for this demonstration has been limited to a very few individuals and even in these instances such plans have been carefully guarded. It is, however, the intention of the group to publicize the demonstration to the membership in the near future.

(CG T-5, 5/10 and 11/60)

C. Miscellaneous

A confidential source advised that GEORGE LINCOLN ROCKWELL, Commander of ANP, Arlington, Virginia, made available to the Chicago ANP Branch a two page list of names and addresses of individuals in the Chicago, Illinois area who, according to the source are "currently ANP contacts and members." This list, source stated, appeared on an NSRP letterhead and bore the notation "CHICAGO AREA MAILING LIST".

(CG T-6, 12/28/60)

II. INFORMATION REGARDING MAYNARD
ORLANDO NELSEN

MAYNARD ORLANDO NELSEN as of April 14, 1961, was the holder of Post Office Box 1785 in Chicago, Illinois, under the name Realpolitical Institute.

(CG T-7, 4/14/61)

The Realpolitical Institute was started by MAYNARD ORLANDO NELSEN in approximately November, 1954, in Chicago, Illinois. NELSEN's purpose was to create a new political party called the Realpolitical Institute. This organization is anti-Communist, anti-Semitic, and is also anti-Negro. NELSEN hoped to gain a following for his party on these issues.

CG 105-4630

This organization, source stated, failed to get "off the ground" and did not attract interest or a following. There were no known members other than NELSEN. His main activity in the organization was the occasional circularization of mimeographed leaflets in the Chicago area. NELSEN's idea was to get the organization started by holding mass meetings in a theater, though such meetings have failed to materialize. The only apparent money used to promote this organization was from NELSEN's own funds and, perhaps, an occasional contribution.

This source stated that NELSEN attempted to borrow money to set his plan in operation, but failed in this attempt. The organization, source stated, did not participate in parades, demonstrations or acts of violence. Concerning NELSEN himself, source advised in February, 1953, that in October, 1947, NELSEN was arrested for writing threatening letters, and at the time of the arrest plans for a Fascist organization (not further identified) were found on his person, as well as anti-Semitic and Fascist literature from the Patriotic Research Bureau. Source stated the Patriotic Research Bureau is an organization founded in 1938 which accumulated, compiled and published anti-Semitic and anti-Communist propaganda.

In May, 1947, NELSEN, then 23 years of age and a student at the University of Minnesota, admitted he was the Minneapolis leader of the Democratic Nationalist Party, an organization described by source as a "hate group" which advocated persecution of racial minorities.

(CG T-4, 4/4/55)

The files of G-2, Chicago, were reviewed on June 30, 1955, and disclosed that NELSEN was a member of the "American Committee for the Advancement of Western Culture," an organization reported to have former top Nazis in its international leadership.

According to G-2, Chicago, NELSEN formerly resided in Minneapolis and was arrested in Minnesota in April, 1947,

CG 105-4630

after he admitted placarding the University of Minnesota campus with anti-minority posters. In October, 1947, NELSEN appeared in Minneapolis attired in a Nazi uniform and carried detailed plans to "overthrow the government." These plans were not further identified. NELSEN was placed on probation following a hearing that he be placed in an institution. Judge JAMES KEHOE, when discharging NELSEN from parole, stated that NELSEN's "egocentric and inappropriate thinking has disappeared."

A confidential source, advised that according to information available to him, H. KEITH THOMPSON, Jr., the former registered American agent of General Otto Remer's Socialist Reich Party of Western Germany, announced the formation of the American Committee for Advancement of Western Culture, of which he is the National Director. The Board of Directors of this organization will consist of many leading national figures, as will the Advisory Council. The purpose of the Committee will be to serve as a dynamic pressure group to further all political cultural and racial causes which tend to advance the struggle of Western civilization against the onslaught of Asiatic barbarism. The Committee will not be a membership organization, but will serve as a high policy planning group for the coordination of racial and nationalistic activities in America, Europe, Africa and Asia.

The same source on November 13, 1958, advised that NELSEN and an associate established the M & N Associates, Post Office Box 1785, Chicago 90, Illinois. Source stated that M & N Associates is a "paper organization" set up to distribute anti-Semitic and anti-Negro literature.

(CG T-4, 7/3/53)

NELSEN has often expressed himself as a "racist" to the point of being psychotic. Source explained that when NELSEN "takes off" on his anti-Semitic and anti-Negro tirades he becomes pale white, highly excitable, nervous, shakes and shows evidence of uncontrollable facial contortions. Source

CG 105-4630

stated NELSEN owns a /357 Magnum revolver and a 5 inch dagger, and source stated he has been informed NELSEN carries these weapons with him in a briefcase at all times.

(CG T-8, 3/1/60)

MAYNARD ORLANDO NELSEN also known as MAX NELSEN, had contacted the Chicago Police Department on April 10, 1961.

NELSEN identified himself as being employed and residing in the Chicago area and stated he is affiliated with the NSRP which is headquartered in Birmingham, Alabama. He added that he handles functional propaganda for the Party. NELSEN stated he wrote the NSRP program and added the Party dealt only with legal politics.

NELSEN continued that his main activity with the NSRP is to attack Communism, Communist organizations and individuals, especially in the Chicago area. He stated that in this manner he expects to be introduced to the public which will serve his political ambitions culminating in his election as Governor of the State of Illinois ten years from now under the NSRP political label.

NELSEN admitted having been arrested while harboring extreme ideas some years ago but claims maturity has made him more conservative.

NELSEN stated he was putting the Chicago police on notice that he expects "things are going to get rough" and that he does not wish to be suspected of any bombings or assassinations which may take place. He stated his activity comprises strictly "legal politics."

(CG T-1, 4/12/61)

CG 105-4630

On January 13, 1961, MAYNARD ORLANDO NELSEN, 114 Morgan Lane, Roselle, Illinois, was interviewed concerning another matter. NELSEN advised SAs JOSEPH E. TRAVERS and BRYCE S. PLESNER that he was a member of the NSRP.

Concerning the NSRP, NELSEN stated this Party consisted of individuals whom he described as a "hybrid type of Nazis". He stated the work of the NSRP was almost over and as to show how this was true, commented on the fact that the NSRP was responsible for President Elect KENNEDY getting less than 50 per cent of the total popular votes in the recent National Election. He stated the NSRP is the third largest political party in the United States and polled over 200,000 votes in the nine states in which the NSRP and its affiliates were on the ballot. In some states he stated this Party was listed as the States Rights Party, however, the NSRP assisted them with both literature and propaganda. The purpose was to create a "theoretical basis of a racist nationalist state".

Pertaining to the NSRP, NELSEN stated there is no rigid organization; that it is an informal organization, and holds conventions when the need arises, at which conventions officers are elected and that conventions are held approximately twice a year. He stated the last NSRP convention was held in Chattanooga, Tennessee, a week after the last National Election and although he was not present, he was represented at this convention. He declined to state where the NSRP funds come from, stating this was "top secret."

NELSEN bragged that the NSRP was an international organization and as such he has access to information concerning activities all over the world, including activities behind the Iron Curtain.

NELSEN stated there are people in the NSRP who have been converted from the Jewish faith. He stated these people are probably only one-half or one quarter Jewish and are the "EICHMANN's" and like him, they feel they have to prove themselves.

CG 105-4630

NELSEN stated that the feeling of the NSRP concerning the Jewish people was that they are not a religion but were a race. He stated that those of the Jewish race were not included as Caucasians and were parasites. He stated the Jewish people on the beaches at Tel Aviv were being financed by the Jewish people in Chicago.

NELSEN likened the NSRP to the Black Dragon Society in Japan and stated that he felt the NSRP would gain national recognition in the United States within the next ten years. He described NSRP members as "native American racial nationalists."

He stated the NSRP believes in the Consitution of the United States and the first Ten Amendments of the Bill of Rights.

**AMERICAN NAZI PARTY, AKA. WORLD
UNION OF FREE ENTERPRISE NATIONAL
SOCIALISTS**

A confidential source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of this World Union of Free Enterprise National Socialists at his residence on February 26, 1959. Six persons were present and, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the World Union of Free Enterprise National Socialists would be an international movement, but that the section of the organization in the United States would be known as the American Party of the World Union of Free Enterprise National Socialists.

This source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the World Union of Free Enterprise National Socialists.

ROCKWELL on May 26, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the World Union of Free Enterprise National Socialists, stating that he expects to become President of the United States through the organization's platform. The main tenets of the World Union of Free Enterprise National Socialists as reflected in the program call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

Source advised in May, 1960, that the headquarters of the organization is located at 928 North Randolph, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of Anti-Jewish material and open-air talks in the spring of 1960 on the Mall in Washington, D.C.

**AFRICAN AMERICAN HERITAGE ASSOCIATION
INTERNAL SECURITY - COMMUNIST**

On August 10, 1961, a source who has furnished reliable information in the past, advised that on August 8, 1961, Ishmael Flory mailed numerous copies of a letter concerning a planned convention of the National States Rights Party in Chicago on August 19, 1961. Attached to these letters was a copy of the "Thunderbolt" dated March, 1961. The letter stated it desired to call attention to the anti-African-Americanism and anti-Semitism emanating from the National States Rights Party which plans to hold a state convention in Chicago at the La Salle Hotel on August 19, 1961. It states that a letter was sent to Mayor Richard Daley of Chicago urging that action be taken "to condemn and expose these merchants of racist poison" and requested a personal conference with the Mayor prior to August 19, 1961, the meeting of the National States Rights Party. It announced that the African American Heritage Association (AANA) was holding a conference at 2 p.m. Saturday, August 12, 1961, to discuss the coming convention and to agree on common action to halt racism and anti-Semitism in Chicago. A meeting will be held at the headquarters of the AANA, Suite 14, 306 East 43rd Street. This letter was signed Ishmael Flory, Director of Organization.

The March, 1961 issue of the "Thunderbolt" which was attached to this letter contained an article which attempted to point out that the National Association for the Advancement of Colored People (NAACP) was not a Negro movement and that the leadership of the NAACP were actually Jewish millionaires who have dedicated their lives and fortunes toward the mongrelization and destruction of the white race. This source also advised that separate letters were sent by the AANA to Mayor Richard Daley of Chicago, Governor Otto Kerner of Illinois, and President John F. Kennedy. These letters requested these individuals in their official capacity to issue a public statement condemning the anti-African-Americanism and anti-Semitism of the National States Rights Party.

On November 26, 1957, a third source, who has furnished reliable information in the past, advised that the United White Party was organized at a convention in Knoxville, Tennessee on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that "a Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party". According to the article the party was formed at a recently held meeting in Knoxville, Tennessee, at which time many Klansmen were represented.

The United White Party was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958 issue of the "Thunderbolt", self-described as the official racial nationalist organ of the National States Rights Party, reported that rank and file "states righters" had merged with the United White Party under the banner of the National States Rights Party.

5
In November, 1958, a fourth source, who has furnished reliable information in the past, advised that the National States Rights Party is composed of the past members of the Ku Klux Klan and notorious anti-Semites.

Reference is made to memorandum dated August 11, 1961, entitled, "African American Heritage Association, Internal Security - Communist".

On August 15, 1961, a source, who has furnished reliable information in the past, advised that a meeting of the National States Rights Party (NSRP) will be held August 19, 1961, at the LaSalle Hotel, Chicago. According to this source, members of the NSRP have learned that this meeting will be picketed by Negroes and Communists. Because of this, certain NSRP members in Chicago are planning to wear sidearms to the meeting and reportedly are "importing strong arm people" from Iowa and Pennsylvania in case there is any trouble.

A second source, who has furnished reliable information in the past, advised August 15, 1961, that the August 19, 1961 meeting of the NSRP will be picketed by representatives of the African American Heritage Association (AAHA).

On February 15, 1961, a third source, who has furnished reliable information in the past, advised that the AAHA was organized in Chicago by Ishmael P. For information of Chicago, Los Angeles, San Diego and San Francisco Offices, ROY E. FRANKHOUSER is National Organizer of NSRP, is violently anti-Negro and anti-Semitic. He has led picketing demonstrations in the past and is on the bomb suspect list of the Philadelphia Office. For months he has had no visible means of support and probably is a paid employee of NSRP.

FRANKHOUSER (full true name ROYSON LAWRETT FRANKHOUSER, JR.), is described as white male, born at Reading, Pa., 4/4/39, with residence at 433 South 5th Street in Reading. He has sometimes identified himself as ROY FRANK HOUSER or ROY HOUSER, and claimed he is member of White Citizens Councils rather than NSRP.

On 8/22/61, JOHN and POLICHY EREN (whose identities should be concealed, stepfather and mother of FRANKHOUSER), advised that they had returned from a week's vacation last Sunday, 8/20/61, and not having heard from FRANKHOUSER since then made inquiries. Source related that he had contacted the Alexander Hat Factory, West Reading, Pa., where FRANKHOUSER had been working and was told that FRANKHOUSER quit without notice, having last worked 8/18/61. An office worker at Alexander's said that FRANKHOUSER had instructed his last check be sent to [redacted] 623 North Front Street, Reading, Pa. This order, the woman said, was made by letter mailed from Birmingham, Ala., and the check would be sent this Friday to [redacted]

When [] mentioned to FRANKHOUSER that the above items were still charged to him, FRANKHOUSER became very angry. He told [] that he had issued them to another CAP man, and did not have time to get them back because he was leaving for California "the first thing tomorrow morning." He told GIBSON to "Sue me if you want to. My lawyer is J. B. STONER." FRANKHOUSER also told GIBSON that "I know more FBI agents than you do," then he left.

According to [] FRANKHOUSER had come to the airport with another person, but this individual did not get out of the car and no one was able to furnish any description of him. The vehicle was an old Chevrolet, about a 1949 model, two door, light green in color. It had Pennsylvania license number 20-368, later determined to be registered to FRANKHOUSER.

21 August 1961

Subject: Private meeting of the National States Rights Party of Illinois (anti-semitic) 19 August 1961, at LaSalle Hotel, Madison and LaSalle Streets, 2000 hours: admission \$1.00

This meeting was private and only those who passed the security guard of the sponsoring organization were permitted to enter. The affair was held in Parlor-B, mezzanine of the LaSalle Hotel. A co-sponsoring organization was the Fighting American Nationalists (FAN) which is a Chicago based anti-semitic group.

The National States Rights Party is a national organization that has its headquarters Jeffersonville, Indiana, P.O.B. 261. The NSRP's platform supports a racial policy that would implement a complete separation of the Negro and White peoples of America. They also demand that the Federal Government cease interfering with the sovereign rights of the states, as guaranteed by the Constitution.

The meeting was delayed from starting at 2000 hours when several members of the NSRP and FAN left the meeting room to counter-picket the African (Afro) American Heritage Association (Communist front) who were picketing in front of the LaSalle Hotel's entrances.

The attendance was approximately forty persons. There were no colored present. The audience was predominantly male, with only perhaps five or six females present. The wall behind the speakers rostrum was covered with a huge 'red thunderbolt' flag of the NSRP.

The main security guard who questioned everyone before they could enter was Maynard (Max) NELSEN (NELSON) the Illinois representative of the NSRP. It was noted that several people were refused entry. At 2020 hours NELSEN (anti-semitic) asked someone to go down and get the boys off the picket-line and have them return to the meeting hall so that they could get going. At 2030 hours he called the meeting to order and gave a short introductory talk on the purpose of the NSRP and its political ideology.

NELSEN introduced the other speakers of the evening who shared the rostrum with him. They were: Robert LYONS, Roy FRANKHOUSER, National officer, NSRP, and Matt KOEHL, Security officer, NSRP. All these speakers at this meeting easily fall into the classification of anti-semites for the general gist of their talks were that the Jews have taken over America.

21 August 1961

Subject: Private meeting, NSRP, 19 August 1961, continued.

The general theme of all speakers is the following. The Democrat and Republican parties have betrayed the vital interests of the American citizens to the Jewish people who are ruling behind the scenes. The Jews and their puppets control education, government, labor, NBC, ABC, CBS, most of the movie studios and newspapers and magazines. This is why almost 100% of the American public has been brainwashed and will continued to be brainwashed. They claim that the Congress of Racial Equality (CORE) and the National Association for the Advancement of Colored People (NAACP) are Jewish, and that the race mixing policy of the Federal Government is done by Jews. Almost 95% of red spy rings and officers in the American Communist Party and its fronts are Jewish. All speakers said that the NSRP is the answer to Jewish domination. The NSRP is a white man's party that will stop foreign give-away programs, promoting illegitimacy, forced race-mixing and promoting the Jew dominated United Nations Organization (UNO).

NELSEN who was the master of ceremonies said that it was difficult to have a meeting like this in this 'Kike run town' of Chicago. The Americans in the northern states don't know it, but the NSRP received 214,000 votes in the southern states during the last presidential election. He said that all that is needed is that the NSRP will ^{win} over one state and they will have the power to take over the country. Once they can get to the people and let them know that there is a political organization that will save them being destroyed by the colored race and the Jews running them - the people will seize the opportunity to save themselves. NELSEN as did the other speakers say - this is a fight to the death, and that either the Jews have to go - or America will be destroyed.

b6
b7C

Roy FRANKHOUSER, an organizer for the NSRP, spoke for a few minutes - apparently keeping his main speech for later in the evening.

21 August 1961

Subject: Private meeting, NSRP, 19 August 1961, continued.

The next speaker was Matt KOEHL, who spent most of his time pointing out Jewish people in the service of the government, most of whom are there by appointments. He pointed out General LeMay - head of the Air Force - General Lemnitzer, head of the Joint Staff Services - and Admiral Rickover of the Navy. He also warned that the Civilian Defense Command is loaded with Jewish Commissars.

Next NELSEN gave his speech. He said the Jews are parasites, liars and thieves. The Jews are using the colored race to destroy the white race in American cities - they're doing the same in Africa through the United Nations and the US taxpayers money. He is firmly convinced that when this warfare between the Jew and the white race is over - the Jew will not exist. He is looking forward to the day when FBI agents would be arrested for being subversive - as they are when they are working for a Jewish-run Federal government.

The last speaker was Roy FRANKHOUSER, who was about 25 years old. He pleaded with the audience to engage in some activity that will let the southerners, and those in other parts of the world, know that they are not fighting alone against this Jewish conspiracy to destroy nations, races and all decency. FRANKHOUSER was a very dynamic speaker. Apparently he and one of the other speakers were to leave in the morning for Atlanta, Georgia where they are going to engage in their full-time work of fighting the Jewish people.

NELSEN gave a short collection speech and asked that donations be dropped in the basket as the audience left the hall. The meeting came to an orderly conclusion.

The only literature noticed at this affair were some piles of "The Thunderbolt," official publication of the NSRP, and Common Sense, anti-semitic publication emanating from Union, New Jersey. The only identification made at this meeting was of [redacted], who is active with [redacted] director, American Council on Relations.

The following literature was picked up at this affair:

SUPPLEMENTARY REPORT:

Picket demonstration and leaflet distribution at subject affair.

Prior to the meeting of the National States Rights Party (NSRP) in Parlor B, mezzanine, LaSalle Hotel, a picket line formed in front of the LaSalle Hotel at the LaSalle Street entrance. This demonstration was sponsored by the African-American Heritage Association (Communist front), under the leadership of Isaiah FLORE (Communist), colored.

As the number of pickets increased from 10 to 25 they were ordered at 1930 hours to split up and walk in front of both the LaSalle Street entrance and the Madison Street entrance to the hotel. Five of the twenty-five pickets were used to distribute leaflets (copies attached) to passersby. The leaflet entitled - "Are You a Patriotic Citizen of the United States?" was a denunciation of the National States Rights Party of Illinois.

Although only 25 individuals took part in this demonstration it was perhaps as disorderly and as poorly conducted as any picket demonstration that has taken place in this area in considerable time. They were a jeering - insulting group made up in the main of known Communists and known Socialists agitators. [redacted] a prominent young agitator, son of [redacted] a known Communist, was the most vociferous of the group. He was overheard to remark to passersby - "The lousy bastards upstairs are Nazis. They preach hatred of, not only the black man, but also of the Jews and the Catholics." To a police officer standing nearby [redacted] remarked, "Well I'll beat you in Court the next time. I beat you in Court the last time. Maybe the next time it will be you on trial instead of me."

An unidentified young Negro man remarked to a white lady standing near the picket line, "I'll kiss you yet." Each time he passed this woman he smiled pleasantly at her and mumbled under his breath until she left this location and moved to a point some distance from the picket line.

Another Negro, later seen driving away from the scene in a vehicle bearing Illinois License NA 7461 was also unruly and loud during the demonstration. This Negro kept shouting - "America never won a war without the black man. The only wars the Americans ever won were won for them by the black soldier." This license is registered to [redacted] 3148 Giles Ave.

[redacted] who stated he was not a member of either group but was a close friend and associate of Max NELSEN, representative for the NSRP of Illinois, was engaged in conversation by a member of the Security Section. Mr. [redacted] appears to be viciously anti-semitic, anti-negro, and slightly anti-United States government. He informed us that he recently had two male visitors from Germany at his home. These men were interested in seeing a little of Chicago's night life so he took them on a tour of some of our better night clubs. At about 2400 hours on a Saturday evening they visited the Chesterfield Club, a lounge about one block north of Diversey on Clark Street. They saw some peculiar things taking place but ignored them until

one of his friends was asked to dance by a male patron of the lounge. His German friend accepted the invitation and as they moved out to the center of the small dance floor in a side room of the lounge the new friend, an American, placed his arm around the German, kissed him and attempted to fondle his privates. The surprised German quickly moved away from this queer person and after some more observations by these three they departed from the lounge. [] also stated that he was surprised to see how many men were fondling and kissing other men in this establishment. He asked why the police failed to close such a place?

It must be noted at this point, that [] referred to above, used Post Office Box #1875 (correction #1785) which is registered to "Maynard NELSON" National States Rights Party. [] was discharged from the service of the United States because of his bi-sexual tendencies.

Placards carried by the pickets read as follows:

- 1 - Anti-semitism and Hitlersim
- 2 - Black and White Want Civil Rights Now
- 3- Jim Crow Employment Must Go.
- 4 - Down with Bigotry-Up with Liberty
- 5 - Race Lies are Unpatriotic
- 6 - The Human Race is Not the Master Race
- 7 - End White Race Supremacy
- 8 - African - American Heritage Association

The African-American Heritage Association pickets departed from the LaSalle Hotel at 2030 hours walking east on Madison Street showing their placards and shouting, "Jim Crow Must Go." They walked to Wabash Avenue on Madison and to Randolph Street on Wabash Avenue where they disbanded at 2045 hours.

NATIONAL STATES RIGHTS PARTY
RACIAL MATTERS

Reference is made to the memorandum dated August 15, 1961, entitled, "National States Rights Party, Racial Matters".

On August 22, 1961, a confidential source advised that on Saturday, August 19, 1961, a meeting of the National States Rights Party of Illinois was held between the hours of 8:00 PM to 11:00 PM in Parlor B, La Salle Hotel, 10 North La Salle Street, Chicago, Illinois. Present at this meeting were approximately 25 individuals all of whom were apparently members of the National States Rights Party (NSRP).

This source stated the meeting was chaired by Maynard Orlando Nelson, Illinois Representative of NSRP, who was assisted by Matthias Kechl, Jr., Security Officer of the NSRP. Also present was Roy Frankhouser of Philadelphia, Pennsylvania, the National Organizer of the NSRP. The source stated that according to information disseminated before the meeting the announced purpose of the meeting was to nominate and elect NSRP officers for Illinois. However, no mention was made of this during the entire evening nor was NSRP business discussed. The source stated that he later heard it rumored that this announcement was made strictly as a "come on" to attract people to the meeting.

The source stated it was the opinion of many present that Nelson called the meeting solely to speak of his personal activities. He stated that as a member of the audience it was most difficult to associate the meeting with the NSRP in any way. The source added that apparently Frankhouser was displeased with Nelson's activities on behalf of the NSRP and as a result gave Kechl authority to call a NSRP meeting at any time he desired.

The source continued Frankhouser spoke on "taking the pressure off the South" which dealt with the racial situation existing today in the South and the necessity of instituting comparable activities in Northern states to assist in erasing the pressure in the South today.

NATIONAL STATES RIGHTS PARTY

The source stated that a number of members of the Fighting American Nationalists were present in the audience, some of whom were observed conducting a counterpicketing operation outside the hotel prior to the meeting. He stated the Fighting American Nationalists demonstrated in opposition to a picketing of the meeting by representatives of the African-American Heritage Association (AAHA).

The source stated a collection was taken during the meeting which netted \$67.00. He stated the meeting was generally regarded as a failure by those with whom he spoke. The source stated nothing was accomplished for the NSRP and it seemed apparent that no Illinois NSRP organization does in fact exist.

Regarding the Fighting American Nationalists, this source advised that the organization is a "front group" of the American Nazi Party established in Chicago in November, 1960, for the express purpose of serving as a "training ground for ultimate membership in the American Nazi Party".

b7D

On February 15, 1961, a second source advised that the AAHA was organized in Chicago by Immanuel P. Flory, a member of the Negro Commission of the Communist Party of Illinois. The Negro Commission of the Communist Party of Illinois has designated the AAHA as a point of concentration and infiltration.

On November 26, 1957, a third source advised that the United White Party was organized at a convention in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that "a Ku Klux Klan spokesman" of Greenville reported the recent formation of a new political party to be known as the "United White Party". According to the article that party was formed at a recently held meeting in Knoxville, Tennessee, at which time many Klansmen were represented. The United White Party was reported as being opposed to all "race mixing organizations and individuals". The July, 1958 issue of "The Thunderbolt", self described as the official racial nationalist organ of the NSRP, reported that rank and file "States Righters" had merged with the United White Party under the banner of the NSRP.

NATIONAL STATES RIGHTS PARTY [redacted]

✓ In November, 1958, a fourth source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious Anti-Semites. b7D

✓ The Ku Klux Klan and the Communist Party of the USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450. [redacted]

✓ A fifth source advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists at his residence on February 26, 1959. Six persons were present and, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the World Union of Free Enterprise National Socialists would be an international movement, but that the section of the organization in the United States would be known as the American Party of the World Union of Free Enterprise National Socialists.

✓ This source advised on May 4, 1960, that Rockwell was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the World Union of Free Enterprise National Socialists.

✓ Rockwell on May 28, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the World Union of Free Enterprise National Socialists, stating that he expects to become President of the United States through the organization's platform. The main tenets of the World Union of Free Enterprise National Socialists as reflected in the program call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

✓ Source advised in May, 1960, that the headquarters of the organization is located at 928 North Randolph, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of Anti-Jewish material and open-air talks in the spring of 1960 on the Mall in Washington, D. C.

NATIONAL STATES RIGHTS PARTY

On August 23, 1961, Lieutenant [redacted] Chicago Police Department, furnished the Chicago Division of the Federal Bureau of Investigation with substantially the same information regarding mentioned meeting. According to Lieutenant [redacted] the general theme of all speakers at the meeting was that the existing political parties in the United States have betrayed the vital interests of the American people, the Jewish people ruling behind the scenes. They charged that most of the American people have been brainwashed by Jewish control of education, government, labor, and of the various news and entertainment media. Lieutenant [redacted] added that the speeches were openly anti-Semitic and repetitious in content. He added following the taking up of a collection the meeting concluded in an orderly manner. b6 b7C

Lieutenant [redacted] stated that the picketing demonstration conducted prior to the meeting by representatives of the ANA was perhaps as disorderly and poorly conducted as any such demonstration having taken place in Chicago in recent times. He stated that the picketers consisted of a jeering insulting group made up of known agitators. Lieutenant Heinsohki stated that in spite of this open rebellious attitude no incidents took place during the picketing demonstration.

On August 23, 1961, the information regarding this meeting was furnished to Region I, United States Army Operations Group, Chicago, Illinois.

On August 2, 4, and 7, 1961, contact was had with [REDACTED] Chicago. [REDACTED] who requested that his identity not be revealed, furnished the following information:

MAX NELSEN and [REDACTED] have informed that they operate an organization referred to as "The Institute" (Institute of Bio-Politics) but also frequently refer to "The States Rights Party" and seem to speak of both organizations interchangeably. They have displayed a considerable amount of literature from various other organizations and are attempting to recruit [REDACTED] into "their" organization. NELSEN has denied any connection with the American Nazi Party (ANP) stating he does not agree with GEORGE LINCOLN ROCKWELL's methods, however [REDACTED] has privately displayed ANP literature to [REDACTED] and speaks in a manner indicating he may have ANP affiliations.

NELSEN has mentioned a "security unit" and a "police force" of "their organization" and states they have recruited some ex-members of the ANP who form the nucleus of a security guard. On August 7, 1961, NELSEN informed of a "States Rights" meeting which he has called for August 19, 1961, at the LaSalle Hotel, Chicago, at 8:00 PM. This meeting, according to NELSEN, will be listed on the hotel board in his name. The purpose of the meeting is to elect officers and to recruit applicants for the "police force". NELSEN stated he would like [REDACTED] to instruct the "police force" in defensive tactics and is currently looking for a place in which to hold a school where these individuals will also received training in the use of small arms, bombings, and the inciting of race riots, looking toward the day the "organization" takes over.

[redacted] stated he believes NELSEN to be a psychopath in that as NELSEN puts it, when "the day" comes there will be mass murder and the shooting down of people in front of places like Roosevelt University. [redacted] speaks of obtaining machine guns for the security force and both have stated that when they start dealing with assassins and bombers they will not be dealing with syndicate hoodlums but instead with "trained sadists". According to [redacted] NELSEN lives in the past, believing that the best era was the 1920s when organized crime was dominant. He has ideas of returning to those conditions but "instead of bootlegging liquor we will bootleg ideas with our own enforcers". NELSEN has indicated some connection with a Sicilian nationalist group headquartered in the vicinity of Ashland Avenue and Diversey. Both NELSEN and [redacted] have mentioned an awareness of "plastico" a dough explosive used in demolition work and also are aware of other means of causing delayed explosions such as uncorking a bottle of liquid carbide in a closed room with a lighted candle to explode the carbide when sufficient fumes have filled the room. The use of a propane torch tank has also been mentioned for use in the same manner.

[redacted] and NELSEN have commented on the bombing of synagogues in the past, stating they are not interested in bombing empty buildings - that if they bomb one it would be filled with people.

In regard to "the organization" [redacted] has been told that NELSEN is "the theorist", [redacted] is "liaison", MATT KOEHL is "security", and EUSTACE MULLINS is "the propagandist".

[redacted] related that [redacted] has stated that his only interests in life are sex and politics and [redacted] is of the opinion that he is a sex pervert. He apparently frequents the Volleyball Lounge on North Clark Street and "The Farm" on Highway 14, believed by [redacted] to be hangouts for sexual perverts. The September, 1961, issue of "The Thunderbolt", official paper of the NATIONAL STATES RIGHTS PARTY, printed an article on the back page as follows:

"An important National States Rights Party rally was held in Chicago, August 19th, at the La Salle Hotel. Despite smears by some of Chicago's Red newspapers and a picket line set up by the Commie front 'African-American Heritage Asso.', our meeting was a big success. When the Negroes started picketing our men quickly made improvised signs and counter picketted. Thousands witnessed the two picket lines. Local police on the scene informed us that some of the leaders in Communist Party of Ill., were on the Negro picket line.

"Meanwhile inside, the NSRP meeting proceeded uninterrupted. Speakers were: Max Nelson, Party Organizer; Matt Koehl, Security Officer; Robert Lyons, Youth Leader; and Roy Frankhouser, National Organizer. The crowd was larger than anticipated and extremely enthusiastic. Thus, begins our new drive in Chicago. Speakers made it clear the NSRP means business in Ill. A social get-together is next on the party agenda for Chicago."

The above is for the information of the Chicago Office, to assist in ascertaining the activity of the NSRP in the Chicago area.

According to source, ROY writes to his mother about once a week. In his letters, which source has an opportunity to read, ROY says he is doing "very well," and is working on a newspaper called the "Thunderbolt." He has shortened his name for reasons of expediency in the paper and calls himself ROY FRANK. He has said he is travelling extensively as a writer and reporter and mentioned a recent visit he had with the Governor of Florida but never goes into much detail.

He did say however that the "trumped up charges" against him have been dismissed and that the "Police Officer who assaulted him has been arrested." He mentioned that he

All the letters (there have been four) have been postmarked at Atlanta, Ga., and bear a Post Office box as a return address.

According to source, he has no reason to believe that FRANKHOUSER is or has been in Chicago or that [redacted] is or has been there except for a statement made to FRANKHOUSER's mother by Mrs. [redacted], wife of a former associate of FRANKHOUSER and [redacted]. This woman in response to a phone call from source's wife, trying to determine the whereabouts of FRANKHOUSER, said she had just received a card from FRANKHOUSER in which he said he and [redacted] were making speeches in the Chicago area. Where numbers appear following the names this is to designate the number of the FAN membership card issued to the respective member. Numbers 1, 2 and 3 have been issued at FAN Headquarters while numbers 9, 10 and 11 have been temporarily left open. Assigned numbers for [REDACTED] (LNU) are unknown. In the case of [REDACTED] the number is uncertain but believed to be No. 8.

The following as of the same date are "under consideration" for FAN membership but are for the time too young for actual membership:

[redacted]

[redacted] Regarding the above mentioned young men, [redacted]
[redacted] has been placed in charge of the Yout' Auxiliary to
be formed within the FAN organization.

Plans for a Women's Auxiliary are formulating at
the present time, however, [redacted] is the only actual
woman member of FAN. She is assisted by [redacted]
who while not actually a member is an "associate".

At present the following are the known ANP members
in the Chicago area:

MATTHIAS KOEHL

[redacted]

[redacted] is definitely out of the organization
and has not been in contact with the group in sometime.

[redacted] has recently expressed a desire to
reaffiliate with the organization in Chicago, however, has
not done so at the present time.

All of the above identified individuals with the
exception of the young men who are "under consideration"
pay a fee of \$5.00 per month for their membership. This
amount covers their affiliation in the ANP and/or the FAN.

The FAN in Chicago has recently received a quantity
of three page application blanks for membership in the FAN
organization. These applications delve extensively into
the background of the applicant. The organization locally
is expected to begin a big recruiting drive in the near
future.

On Friday, September 15, 1961, a meeting of the
FAN was held at Headquarters, Chicago, Illinois. Present
were MATTHIAS KOEHL, [redacted]
and [redacted]

b6
b7C
b7D

[redacted]

The basic discussion for the evening centered on the planned dinner to be held by the FAN group on Saturday, September 23, 1961, at the FAN Headquarters.

[redacted] who has recently "attached himself" to the FAN group, is the individual who recently received publicity in the Chicago area newspapers for distributing ANP literature at Prosser High School. Prior to the time that he distributed this literature he was unknown to the FAN group. [redacted] spoke during the course of this meeting of his interview by the FBI at the time of the distribution of this literature but was non-committal as to details.

[redacted] and MATTHIAS KOEHL are obviously quite security conscious and are openly opposed to the Anti-Defamation League and the Jewish War Veterans. It is generally felt that these two organizations are without proper authority in matters such as the activities of the Nazi Party. It is also generally believed that the FBI is properly authorized to inquire into such matters and merely has a job to do.

On Sunday afternoon, September 17, 1961, a "social get-together" was held at FAN Headquarters. Present in the group were MATTHIAS KOEHL, [redacted]

b6
b7C
b7D

[redacted] This was not an official meeting of the organization and the general conversation was centered on the forthcoming FAN dinner.

The Chicago FAN group will hold a dinner at FAN Headquarters on Saturday, September 23, 1961. MATTHIAS KOEHL has sent out some 70 invitations utilizing the NSRP, the FAN and the ANP mailing lists. Though 70 invitations were sent approximately 30 are actually expected to be present. It is intended that a "German-type" dinner will be served to those attending which [redacted] will prepare. All of the members are expected to furnish the necessary material for serving this dinner. The chief reason for holding this function is to solicit donations from those present for electricity. Recently a demand for \$200.00 has been made on the FAN organization as a deposit for

[redacted]

electrical service. The figure is high due to the fact that the headquarters is directly connected with a store and apparently the commercial rate applies in such a case. Because of the size of the deposit FAN headquarters is currently without electricity and it is expected that the dinner will be served on Saturday night by candlelight. At present candles are being utilized as is a Coleman type lantern, the property of MATT KOEHL.

No charge will be made for the dinner but a donation will be asked of those present. The dinner is expected to be social in nature rather than an official function.

Regarding FAN Headquarters, [redacted] has loaned the organization a large Swastika flag for headquarters use. The organization has recently purchased a stove, refrigerator, and two metal "Army type" cots for headquarters use. Ten chairs also have been purchased for use in the headquarters meeting hall. As a result of these expenditures the FAN treasury is nearly depleted.

The lease for FAN headquarters continues to be held under MATT KOEHL's name, however, the nature of the business for which the property is utilized has been now identified as its use as a political headquarters. The monthly rental of the FAN Headquarters which is \$150.00 is presently being paid by three of the local members, namely [redacted] MATT KOEHL and [redacted]. Because of these expenses [redacted] is seriously interested in instituting a recruiting drive hoping that by building the membership the expenses to himself and the other two members can be eased or perhaps obliterated.

b6
b7C
b7D

On Sunday evening, September 17, 1961, [redacted]

[redacted]
girlfriend, [redacted] attended an evening of entertainment presented by the Organization of Arab Students, Greater Chicago Chapter. The function was staged for the benefit of the Arab Students Scholarships and Aid Fund (ASAF). The function was held at the Sheraton Blackstone Hotel on Michigan Avenue and Balbo Drive.

[redacted]

Regarding the Arab Students and their activities in the Chicago area, there has been no indication that an approach has been made to the students or have the students approached the FAN organization to ask membership of the Arab Students. There has been no indication whatsoever that money has been received by the organization, not only from the Arab Students but from any outside organization.

Currently relations are strained between MATT KOEHL and MAYNARD ORLANDO NELSEN. This situation has resulted from a recent NSRP meeting which was attended by ROY FRANKHOUSER and [redacted]. A collection was taken at this meeting in the amount of \$67.00. From this amount NELSEN, who has identified himself as head of the NSRP in Illinois, was to pay the cost of the room for the meeting. The balance of the money was to be utilized for the expenses of FRANKHOUSER, currently National Organizer of the NSRP. However, the rift arose when NELSEN rather than releasing the money for use of FRANKHOUSER kept it for himself. As a result, KOEHL and NELSEN are "going their own way" and it is not indicated at present that NELSEN is affiliated with the Nazi Party in Chicago.

b6
b7C
b7D

In connection with the above incident, FRANKHOUSER became irritated at NELSEN and denounced him as being inadequate in his position in Illinois in regard to the NSRP. At this meeting FRANKHOUSER gave MATT KOEHL authority to call an NSRP meeting at anytime he desired. This in effect puts NELSEN more or less out of NSRP activities.

Regarding FRANKHOUSER and [redacted] activities during their stay at Chicago, they arrived by automobile in Chicago on August 19, 1961, and came directly to FAN Headquarters at the invitation of [redacted] and KOEHL. [redacted] and FRANKHOUSER had purchased a 1947 Chevrolet for \$35.00 somewhere in the South and drove this car to Chicago. Other than attendance at the NSRP meeting neither FRANKHOUSER nor [redacted] were active in matters while in Chicago. [redacted] spent most of his time loafing at FAN Headquarters while FRANKHOUSER utilized the period in Chicago for sightseeing.

[redacted]

FRANKHOUSER departed Chicago by bus on August 28, 1961, and [redacted] left by bus on August 23, 1961. Both departed Chicago en route to Atlanta, Georgia. No contacts of [redacted] or FRANKHOUSER are known during their period in Chicago.

[redacted] an associate of NELSEN and KOEHL, was present at the bus station on August 28, 1961, to see ROY FRANKHOUSER off for Atlanta, Georgia. [redacted] has no known organizational affiliation with the ANP movement in Chicago at this time.

ROY FRANKHOUSER or [redacted] were never known members of the ANP although it is known that [redacted] was present at the ANP Headquarters when the movement was originally formed.

No specific plans are presently in existence regarding FAN or ANP activities in the Chicago area, however, it has recently been mentioned that picketing demonstrations should once again be taken under consideration.

On August 23, 1961, the Security Unit, Chicago, Police Department, an agency which collects security type information in the Chicago, Illinois area (protect - deemed advisable) furnished a report of a meeting of the National States Rights Party on August 19, 1961, at Chicago, Illinois.

This report stated in part that a meeting of the National States Rights Party of Illinois was held on August 19, 1961, at the LaSalle Hotel, in Parlor B. A co-sponsoring organization was identified as the Fighting American Nationalists (FAN) of Chicago, Illinois. This meeting, according to the report, was delayed from starting at 8:00 PM when several members of the NSRP and FAN left the meeting room to counter-picket a demonstration of the Afro-American Heritage Association, who were conducting a picketing demonstration in front of the hotel.

The attendance at the meeting was approximately 40 persons, predominantly male with perhaps five or six females present. The wall behind the speakers rostrum was covered with a huge "red thunderbolt flag" of the NSRP.

The apparent chairman of the meeting was MAYNARD ORLANDO NELSEN of Chicago, Illinois, the Illinois representative of the NSRP. NELSEN introduced other speakers of the evening who shared the rostrum with him. These were identified as ROY FRANKHOUSER, National Organizer, NSRP, MATTHIAS KOEHL, Security Officer, NSRP, and [redacted], not identified.

of the Jewish opposition to their public speaking engagements. His talk was short and he urged the audience to do all in their power in this fight for the cause of truth or they will be replaced by someone else who will win the battle in their place.

This report set forth the content of the speeches of KOEHL and NELSEN which followed that of FRANKHOUSER both which dealt basically with the anti-Semitic idea. [REDACTED]

Report states the last speaker for the evening was ROY FRANKHOUSER, who implored the audience to engage in some activity that will let the Southerners and those in other parts of the world, know they are not fighting alone against this Jewish conspiracy to destroy nations, races, and all decency. FRANKHOUSER was a very dynamic speaker. It was indicated he and one of the other speakers were to leave the following day for Atlanta, where they reportedly were to engage on a full-time basis of fighting the Jewish people.

On August 22, 1961, [REDACTED] (code name), PCI, (RAC), advised that on August 19, 1961, a meeting of the NSRP of Illinois was held between the hours of 8:00 PM to 11:00 PM in Parlor B, LaSalle Hotel, 10 North LaSalle Street, Chicago, Illinois. Present at the meeting were approximately 35 individuals, all of whom were apparently members of the NSRP.

CG 105-4630

This source stated the meeting was chaired by MAYNARD ORLANDO NELSEN, Illinois Representative of the NSRP, who was assisted by MATTHIAS KOEHL, JR., Security Officer of the NSRP. Also present was ROY FRANKHOUSER of Philadelphia, Pennsylvania, the National Organizer of the NSRP. The source stated that according to information disseminated before the meeting the announced purpose of the meeting was to nominate and elect NSRP Officers for Illinois. However, no mention was made of this during the entire evening nor was NSRP business discussed. The source stated that he later heard it rumored that this announcement was made strictly as a "come on" to attract people to the meeting.

The source stated it was the opinion of many present that NELSEN called the meeting solely to speak of his personal activities. He stated that as a member of the audience it was most difficult to associate the meeting with the NSRP in any way. The source added that apparently FRANKHOUSER was displeased with NELSEN's activities on behalf of the NSRP and as a result gave KOEHL authority to call an NSRP meeting at any time he desired.

The source continued FRANKHOUSER spoke on "taking the pressure off the South" which dealt with the racial situation existing today in the South and the necessity of instituting comparable activities in Northern states to assist in erasing the pressure in the South today.

The source stated that a number of members of the Fighting American Nationalists were present in the audience, some of whom were observed conducting a counterpicketing operation outside the hotel prior to the meeting. He stated the Fighting American Nationalists demonstrated in opposition to a picketing of the meeting by representatives of the African-American Heritage Association (AAHA).

The source stated a collection was taken during the meeting which netted \$67. He stated the meeting was generally regarded as a failure by those with whom he spoke. The source stated nothing was accomplished for the NSRP and it seemed apparent that no Illinois NSRP organization does in fact exist.

CG 105-4630

Regarding the Fighting American Nationalists, this source advised that the organization is a "front group" of the American Nazi Party established in Chicago in November, 1960, for the express purpose of serving as a "training ground for ultimate membership in the American Nazi Party".

On February 15, 1961, [] who has furnished reliable information in the past, advised that the AAHA was organized in Chicago by ISHMAEL P. FLORY, a member of the Negro Commission of the Communist Party of Illinois. The Negro Commission of the Communist Party of Illinois has designated the AAHA as a point of concentration and infiltration.

On November 26, 1957, [] PSI of the Charlotte Division, who has furnished reliable information in the past, advised that the United White Party was organized at a convention in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman" of Greenville reported the recent formation of a new political party to be known as the "United White Party". According to the article that party was formed at a recently held meeting in Knoxville, Tennessee, at which time many Klansmen were represented. The United White Party was reported as being opposed to all "race mixing organizations and individuals". The July, 1958, issue of "The Thunderbolt", self-described as the official racial nationalist organ of the NSRP, reported that rank and file "States Righters" had merged with the United White Party under the banner of the NSRP.

In November, 1958, [] who has furnished reliable information in the past, advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

The Ku Klux Klan and the Communist Party of the USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

[] (RAC), who has furnished reliable information in the past, advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise

CG 105-4630

National Socialists at his residence on February 26, 1959. Six persons were present and, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the World Union of Free Enterprise National Socialists would be an international movement, but that the section of the organization in the United States would be known as the American Party of the World Union of Free Enterprise National Socialists.

This source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the World Union of Free Enterprise National Socialists.

ROCKWELL on May 26, 1959, furnished Special Agents of the Federal Bureau of Investigation a copy of the program of the World Union of Free Enterprise National Socialists, stating that he expects to become President of the United States through the organization's platform. The main tenets of the World Union of Free Enterprise National Socialists as reflected in the program call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

Source advised in May, 1960, that the headquarters of the organization is located at 928 North Randolph, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of Anti-Jewish material and open-air talks in the Spring of 1960 on the Mall in Washington, D.C.

On September 20, 1961, [redacted] previously mentioned, advised that apparently relations are currently strained between MATT KOEHL and MAYNARD NELSEN. This situation has resulted from the NSRP meeting on August 19, 1961, at which time a collection in the amount of \$67.00 was taken. From this amount NELSEN, who is identified as Illinois head of the NSRP, was to pay the cost of the room in which the meeting was held. The balance of the money was to be utilized for the expenses of FRANKHOUSER. The rift arose when NELSEN, rather than releasing the money for the use of FRANKHOUSER, kept it for himself.

b7D

As a result KOEHL and NELSEN are "going their own way". In connection with this incident, FRANKHOUSE became irritated at NELSEN and denounced him as being inadequate in his position in Illinois in regard to the NSRP. At the August 19, 1961, meeting FRANKHOUSER gave KOEHL authority to call an NSRP meeting at any time he desired. This in effect, source stated, puts NELSEN more or less out of NSRP activities.

Regarding FRANKHOUSER and [] activities during their stay in Chicago, source advised they arrived by automobile in Chicago on August 19, 1961. They came directly to headquarters of the Fighting American Nationalists at the invitation of [] officer in charge of Chicago FAN and at the invitation of MATT KOEHL. Source stated that [] and FRANKHOUSER had recently purchased a 1947 Chevrolet for \$35 "somewhere in the South" and drove this car to Chicago. Other than their attendance at the NSRP meeting, neither FRANKHOUSER nor [] were known to be active in other matters while in Chicago. Source stated that [] spent most of his time "just loafing" at FAN Headquarters, while FRANKHOUSER utilized this period in Chicago for sightseeing.

Source added that FRANKHOUSER departed Chicago by bus on August 28, 1961, [] having left by bus on August 23, 1961. Both reportedly departed Chicago en route to Atlanta, Georgia.

b6
b7C
b7D

On October 23, 1961, this same source advised that he has been unable to develop information regarding the contacts or activities of FRANKHOUSER or [] during their August visit to Chicago.

On October 24, 1961, [] Anti-Defamation League, B'Nai B'Rith, 343 South Dearborn, Chicago (protect - deemed feasible) advised that following a check of sources available to this office, he has been unable to learn of any information concerning the activities or contacts, if any, on FRANKHOUSER and [] during their recent visit to Chicago.

CG 105-4630

In view of the fact that no information has been developed to indicate the actual existence of an NSRP organization in Chicago, no further inquiry concerning this organization is contemplated at this time. Consideration has been given in this regard to the comments of [redacted] a member of the NSRP, who has reported that it is apparent that no Illinois NSRP organization does in fact exist at this time. Chicago will, therefore, place this matter in a closed status, but will remain alert through available informants and sources for any indication that the NSRP is in fact formulating a Chicago organization.

One copy of this letter has been disseminated to the Atlanta Division for their information in view of pending investigation there regarding ROY FRANKHOUSER.

At this meeting plans were discussed by ROY E. FRANKHOUSER, JR., National Organizer of the NSRP, for the informant to make a trip to Chicago within the next two weeks in order to talk with NSRP members from the Chicago area.

The informant advised that the following names and addresses were supplied to him by FRANKHOUSER as individuals whom he should contact on his arrival in Chicago:

Chicago and other interested offices will be advised of the nature of the discussions conducted by the informant upon his return to the Philadelphia area.

The informant also advised that FRANKHOUSER had discussed a boycott of the United Fund campaign for the year 1962 insofar as money of the United Fund was allocated to Jewish affiliated charities and organizations. The informant advised that FRANKHOUSER suggested that the NSRP print brochures or pamphlets for distribution to prominent businessmen in the Eastern Pennsylvania area listing organizations supported by the United Fund which were in any way Jewish affiliated.

The informant stated that FRANKHOUSER also discussed the setting up of a legal fund which would be used by the members of the NSRP in any future litigation or arrests made of NSRP members.

FRANKHOUSER also discussed with the informant plans for the attempted consolidation of various organizations similar in view to the NSRP, such as the John Birch Society and the American Nazi Party.

The informant advised that FRANKHOUSER stated that the NSRP had planned to enlist the aid of Senator STROM THURMOND to initiate an investigation of the FBI on grounds of leniency towards Communist Party members in the U. S. and failure to initiate prosecution against CP members, and also on grounds that the FBI, as a Government agency, was misusing public funds in order to publicize the activities of the FBI for self-serving purposes. The informant was not able to ascertain whether these plans had been placed in action or whether they were future plans proposed by the NSRP.

UNITED STATES GOVERNMENT
MEMORANDUM

TO : SAC, CHICAGO (157-3)

FROM : SA ROBERT J. DOLAN

SUBJECT: AMERICAN NAZI PARTY, aka.
RACIAL MATTERS

DATE: 11-20-61

It is recommended the following files be opened and assigned so that identified subjects may be contacted for interview:

105-3527

MATTHIAS KOEHL, JR.

Regarding the individuals listed above, all are either currently active in subject organization or have had past association with the organization and or its members.

Information recently emanating from American Nazi Party (ANP) Headquarters, Arlington, Virginia, has indicated various organizational activities not in evidence in the Chicago area. The Chicago Division will in December, 1961, prepare a report on ANP activities and it is believed that contact, if successful with the above individuals, may substantially aid in compiling full information regarding the organization, activities, and membership of the American Nazi Party and the Fighting American Nationalists (FAN) in the Chicago area. In addition, it is felt that successful contact with above individuals would corroborate information currently being received by the Chicago Office from informants currently operating within subject organization.

Further, it is anticipated that valuable intelligence information may develop for use of Chicago in following the activities and membership of the ANP. During the course of these interviews all contacts will be considered as to their potential informant value.

It is additionally requested that cases be opened concerning the following:

[REDACTED]

Concerning [REDACTED] she has in the recent past been affiliated with the Fighting American Nationalists in Chicago. In recent weeks [REDACTED] has terminated her association with this group for undisclosed reasons. It is anticipated that should [REDACTED] be cooperative she could substantiate or disspell recent reports that a women's auxiliary of the ANP does in fact exist or will exist in the future. In this regard it is noted that recent memoranda emanating from the Washington Field Office has indicated the formation of a women's group to possibly be known as the Naziettes.

b6
b7c

It is noted that [REDACTED] has in the past been interviewed when first the activities of his brother [REDACTED] became known to this office. [REDACTED] at that time indicated a cooperative attitude. He has recently been affiliated with the Fighting American Nationalists in Chicago with his brother and several other new youths. [REDACTED] has indicated recently his apparent lack of complete interest in subject organization although he continues to maintain his association with them. It is believed that if [REDACTED] should be cooperative when contacted, he could furnish valuable information concerning the activities of the new young group recently affiliated with the ANP.

It is noted that in the case of MATTHIAS KOEHL, he is in a position to furnish this office, if cooperative, with information concerning activities, not only of the ANP and FAN, but also regarding the activities of the National States Rights Party in the Chicago area. It is noted that KOEHL is currently listed as national officer of the NSRP.

CG 157-3

It is noted that in memorandum of SA [redacted]
[redacted] dated August 14, 1961. (CG 157-0-404). it is
indicated that one [redacted]

[redacted] Chicago, is a German
and former S.S. trooper. [redacted] reportedly has evidenced
a very secretive attitude and on occasion has appeared to
propagandize the Nazi line. Consideration is given in this
instance to determining the actual attitude of [redacted]
his possible affiliation, if any, with the ANP or Nazi movement
in the United States, and/or his possible informant potential,
if cooperative.

b6
b7C

Regarding contact of the number of persons currently
operating within the ANP, it is believed that several contacts
would be necessary to fully protect any of the individuals
should they indicate an attitude of cooperation with this Bureau.

BH 105-477

DETAILS:

"THE THUNDERBOLT" - Publication of the NSRP

"The Thunderbolt" is self-described as the "official white racial organ of the NSRP."

Issue No. 35 of "The Thunderbolt", for October, 1961, contained a front page devoted entirely to an article entitled " 'Freedom Riders' Burn Bus While BOBBY KENNEDY Blames 9 Innocent White Alabamians." This article pointed out that United States Attorney General KENNEDY and "his FBI Agents know that the Communist Freedom Riders set the Greyhound bus on fire from the inside near Anniston and that KENNETH ADAMS and the other eight defendants are all completely free of guilt." This article pointed out that ROBERT KENNEDY knows the defendants are not guilty in this case, but that if the Justice Department could get convictions it would insure a higher percentage of the Negro votes in larger Northern states going to ROBERT's brother, JOHN KENNEDY, in the 1964 election. The article stated that a verdict of not guilty for the nine innocent defendants would be a victory for white Christian America and a major defeat for the "Communist-Jewish conspiracy."

Page 2 of this issue contained a story about a Freedom Rider named PHILIP POSNER. The article stated that POSNER is a senior at the University of California, Los Angeles, and also attends Hebrew Union College in Hollywood.

Page 3 contains an editorial which stated that the NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE and CONGRESS OF RACIAL EQUALITY are not Negro organizations but are Jewish organizations. The editorial said, "Their officers are Jews, their financiers are Jews, the entire philosophy behind mongrelization is imbedded in the evil tennants of Judaism."

Page 3 also contains a photograph of JACK GREENBERG and an article entitled "WHITE LAWYER NEW NAACP LEGAL COUNSEL."

Pages 4 and 5 of this issue contain an article entitled, "KENNEDYS START SECOND RECONSTRUCTION OF SOUTH." Along with this article appeared photographs of Negroes who represented Southern states in Congress and in the United States Senate shortly after the Civil War.

BH 105-477

Pages 6 and 7 of this issue contain an article entitled "THE INTERNATIONAL JEW", "By HENRY FORD, Founder - First President of the Ford Motor Company."

Page 8 contained an article entitled "NEW ORLEANS MEETING SUCCESS". This article advised that on Friday, September 8, 1961, at 3:00 P.M., two representatives of the National States Rights Party, Mr. ROY JAMES LEAHART and Mr. ALBERT JOSEPH BELSOM, picketed the Orleans Parish School Board office at 703 Carrodelet Street, New Orleans, Louisiana, calling on the school board to resign.

Page 8 also contained a story on IRVING THACKER of Dayton, Ohio. This article stated that the Ohio Branch of NSRP meets regularly in Dayton, Ohio. "All Ohio supporters should find out how they can help by writing National States Rights Party, Ohio Unit, Box 42, Walnut Street Station, Dayton 2, Ohio."

Issue No. 36 of "The Thunderbolt", dated November, 1961, was devoted entirely to the arrest of DR. EDWARD R. FIELDS at Fairfield, Alabama, on October 11, 1961. Editor's comment on the front page stated that a true account of DR. FIELDS' arrest appeared in the Birmingham Post-Herald, which is a "Christian owned morning newspaper", but that the Birmingham News launched a "vicious lying attack against DR. FIELDS and The National States Rights Party." "Needless to say, the Birmingham News is owned by a radical Zionist Jew in New York City named SAMUEL I. NEWHOUSE." A letter from C. J. SMITHSON, Mayor of Fairfield, Alabama, to DR. EDWARD R. FIELDS, 1509 Mims Street, S.W., Birmingham, Alabama, appeared on the front page of Issue #36 of "The Thunderbolt" as follows:

"Dear Sir:

"It has come to the attention of the City of Fairfield that you are proposing to have a public meeting at 8 P.M. Wednesday, October 11, at 5329 Valley Road, Fairfield, Alabama. This is to call to your attention the fact that under Section 14-53 of the General Code of the City of Fairfield, 'It shall be unlawful for any person or persons to hold a public meeting in the City or its police jurisdiction without first having obtained a permit from the Mayor to do so'."

BH 105-477

"No application for such permit has been made to this date and no such permit has been issued. We also note from the notice that a thunderbolt mobile unit will be parked out front. We would also like to call to your attention that no such permit has been issued for such mobile unit to be parked at such location, and no permit has been issued for the distribution of pamphlets such as have been distributed in the City of Fairfield pertaining to this meeting.

"Unless an appropriate permit is obtained for this meeting, it will be illegal and will not be allowed in the City of Fairfield."

"Yours very truly,

C. J. SMITHSON, Mayor
City of Fairfield "

In the middle of the front page of Issue No. 36 appeared the following:

"I have the authority to determine whether public meetings are held in Fairfield."

"Statement made on witness stand in Judge Ball's Court Room on October 12, by:

" Mayor CLAUDE J. SMITHSON
4300 Parkway, Fairfield, Alabama
Phone No. State 5-2845 "

The lead article on page one was entitled "FAIRFIELD MAYOR BANS FREE SPEECH". This article alleged that Mayor SMITHSON of Fairfield had outlawed free speech and set up a private dictatorship in Fairfield, Alabama. The article stated that Fairfield has two minor city ordinances, one which forbids the passing out of handbills without the Mayor's permission and the second prohibits the holding of a public meeting without the Mayor's permission. This article pointed out that these

ordinances are contrary to the United States Constitution and the Bill of Rights. This article concluded, "DID YOU KNOW THAT:

- " (1) Mayor CLAUD SMITHSON forbid a Klan motorcade through 'his' city last year.
- " (2) Mayor CLAUD SMITHSON refused to permit a Citizens' Council meeting from being held in 'his' city.
- " (3) Mayor CLAUD SMITHSON broke up a proposed meeting of the National States Rights Party.
- " Has anyone ever heard of SMITHSON refusing permits to Negro or other race mixing groups? Has he ever used armed force to break up a meeting favoring race mixing?"

Another article on page one was entitled "RIGHTS RALLY STOPPED - Pair Arrested on Contempt". This article was by FRANK HARWELL and the name of the paper printing it was not given. This article stated in part, "A meeting of members of the National States Rights Party was broken up at two different sites by a court injunction last night. Two members of the party who had planned to conduct the meeting were arrested on a contempt of court charge. They are DR. EDWARD R. FIELDS, 29, and ROBERT LYONS, 20, both of Birmingham and both party officers. They were charged with contempt of court, specifically for violating an injunction issued by Bessemer Judge EDWARD BALL which was served at noon yesterday. More than 40 law officers were present at a Fairfield hall leased by the States Rights Party. Armed with pistols, rifles and shotguns, the officers kept order in a crowd of less than 100 bystanders who gathered. FIELDS and LYONS were arrested at 7:30 p.m. immediately on arriving in Fairfield, when LYONS handed a copy of the party newspaper, The Thunderbolt, to Fairfield Mayor CLAUD SMITHSON."

This article quoted FIELDS and LYONS as stating that the purpose of the meeting was to discuss the violence and bus burning near Anniston, Alabama, and Attorney General ROBERT KENNEDY's part in the trials now going on in Anniston. These men were also quoted as saying that J. B. STONER, attorney for the men indicted in the Anniston incidents, was to speak at the Fairfield meeting. FIELDS and LYONS were also quoted as saying this was the first time they had ever been arrested; that they had held meetings in Chicago at the LaSalle Hotel, in New Orleans, and "even in integration-minded Atlanta."

BH 105-477

Pages 2 and 3 of Issue No. 36 of "The Thunderbolt" contains other articles referring to the Fairfield arrest of DR. FIELDS, as follows:

"FIRST TIME IN AMERICAN HISTORY INJUNCTION USED TO OUTLAW FREE SPEECH"

"DOES THIS LOOK LIKE AMERICA OR SOVIET RUSSIA?"

"DR. FIELDS TO SUE 'BIRMINGHAM NEWS' "

"BIRMINGHAM NEWS OWNED BY NEW YORK RACE MIXER"

Page 4 of "The Thunderbolt" contained an editorial on "Court Decisions For Free Speech and Assembly"; also, an open letter to residents of Fairfield, Alabama, suggesting that Mayor CLAUD SMITHSON could be removed from office because he "has become so unpopular." This article indicated that Mayor SMITHSON and his followers regard the money spent by Negroes in Fairfield as more important than free speech. The article allegedly quoted several individuals to that effect, when they testified at Mayor SMITHSON's hearing on Friday, November 17, 1961, to obtain a permanent injunction to prohibit the National States Rights Party from holding meetings in Fairfield, Alabama.

Issue No. 37 of "The Thunderbolt" for December, 1961, was a small one page edition. This issue wished all NSRP members and supporters a Merry Christmas and urged them to buy from Christian merchants and not Jewish business men. This issue contained the poem entitled "Kosher Christmas", which indicated that Jewish merchants do not respect either Christ or Christmas and are only interested in selling to Christians. A short excerpt from this issue entitled "Buy Christian" is as follows:

"During the Holy season the Jews are going all out as never before to commercialize Christmas. The Jewish high-pressure selling started two weeks before Halloween. They are racking up more sales than ever before, while at the same time sneering at the birth of Christ and hating everything sacred that this season stands for. To the Jew, this is just another time to make a fast killing off the poor ignorant Gentile. Christmas is Santa Claus - giving because we expect

BH 105-477

to receive. Prices are higher but credit is freer. The Holidays mean office partys, football games and parades. Even in Moscow all the Jewish Department stores have a Santa Claus. Christ's name is replaced by an X in Xmas on all Jewish storefronts. The Jews are determined to destroy the true meaning of Christmas and turn it into an orgy of present buying. We do not say that gifts should not be exchanged, but spend your money with fellow Christians. There are still a few Christian chain stores left, 'Pennys', 'Belks' and 'Montgomery Ward' are the major ones. Buy Christian Boycott the Christ haters! "

NSRP ACTIVITY IN ALABAMA

Mr. CLAUD SMITHSON, Mayor of Fairfield, Alabama, telephonically advised on October 10, 1961, that he had heard the NATIONAL STATES RIGHTS PARTY (NSRP) was going to hold a meeting at 5329 Valley Road, Fairfield, Alabama, over a car-wash establishment. He stated the upstairs of 5329 Valley Road was rented to a fishermen's or hunters' club, which he said was possibly "The Klan". He said it was necessary to obtain a permit to hold a public meeting in the City of Fairfield and no permit had been issued for this meeting. He advised that some leaflets had been distributed at Fairfield announcing this meeting and stating that "niggers" were getting everything and that the white man had better organize, or words to that effect.

Mayor SMITHSON stated it was a violation of city law to distribute leaflets in Fairfield without a permit.

Birmingham Confidential Informant T-1 advised he attended a meeting of the NSRP at 8:00 P.M., October 10, 1961, at 5329 Valley Road, Fairfield, and that DR. EDWARD R. FIELDS presided and mentioned such things as "THE THUNDERBOLT", official organ of the NSRP; a volume of books written by HENRY FORD, SR., entitled "THE INTERNATIONAL JEW", and the "Freedom Riders". T-1 stated that another meeting was planned for the night of October 11, 1961.

On October 11, 1961, Mayor SMITHSON again called and advised that he had secured a temporary injunction against DR. FIELDS and the NSRP, based on violation of City Ordinance 14-56, City Code of Fairfield, which prohibits the holding of a public meeting without a permit, and Sections 3-4 and 3-5, which make it a violation to distribute leaflets within the city limits without a permit or to place handbills in automobiles. Mayor SMITHSON said he had posted a copy of the injunction on the door of 5329 Valley Road and the Fairfield Police had been instructed to patrol the area and the Jefferson County Sheriff's Office had agreed to give him any needed assistance. Mayor SMITHSON stated he did not intend for FIELDS to hold the meeting.

BH 105-477

Chief of Police THOMAS H. WARD, Fairfield, advised that on the night of October 11, 1961, a group of approximately 40 officers from the Fairfield Police Department, Jefferson County Sheriff's Office, Midfield Police Department, and the Alabama Highway Patrol were placed around the building at 5329 Valley Road, Fairfield, about 7:00 P.M. He stated the NSRP planned to hold a public meeting on the second floor of the building at that address.

It is noted that the upstairs of this building is regularly used by the Fairfield Klavern of the U. S. KLANS, KNIGHTS OF THE KU KLUX KLAN, REALM OF ALABAMA.

Chief WARD advised that Dr. EDWARD R. FIELDS appeared on the scene about 7:45 P.M. and began distributing copies of "The Thunderbolt"; that FIELDS and his assistant, [redacted] were immediately arrested and placed in a Jefferson County Patrol Wagon. Two unidentified teen-agers were arrested by the Fairfield Police, but later released when it was determined they were not connected with the NSRP. Officers searched about 35 cars in the nearby parking lot and confiscated several THUNDERBOLTS. Several of the officers carried riot guns, one Fairfield policeman patrolled the streets with his German Police dog. Chief WARD said no violence occurred and that unidentified news photographers were present.

b6
b7C

He advised that FIELDS and [redacted] would be charged with contempt of court for violation of the injunction obtained by Mayor SMITHSON against FIELDS and the NSRP. He stated FIELDS and [redacted] would be tried at 9:00 A.M., October 12, 1961, before Circuit Judge E. L. BALL, Bessemer, Alabama. Chief WARD estimated that a crowd of approximately 100 persons watched the proceedings from across the street.

The Birmingham Post-Herald, a daily newspaper at Birmingham, on October 13, 1961, had an article on the front page which stated that FIELDS and LYONS were found in contempt of court on October 12, 1961, fined \$50.00 each and sentenced to five days in jail. Their attorney, J. B. STONER, filed notice to appeal. Bond was set at \$500.00 each.

This article stated FIELDS is the Information Director and LYONS is the Youth Leader of the NSRP. The article stated

BH 105-477

that about 40 armed officers and 150 orderly spectators were at the meeting site of the NSRP. FIELDS and LYONS were unable to make bond before the court clerk's office closed on October 12, 1961. The Jefferson County Sheriff's Office said they were returned to jail for the night.

Chief Deputy Sheriff CLYDE MORRIS, Bessemer Division of the Jefferson County Sheriff's Office, advised on October 13, 1961, that FIELDS and LYONS were released on bond at 10:45 P.M.

The Birmingham News for October 13, 1961, printed an editorial entitled "Racial Extremists Not Wanted Here". This editorial mentioned that Mayor CLAUD SMITHSON of Fairfield had requested a court injunction, which would prohibit the NATIONAL STATES RIGHTS PARTY from holding a public meeting in Fairfield. The editorial stated that this request was "quite proper". Mayor SMITHSON requested the injunction because he feared the gathering would incite a riot. The editorial continued "Fairfield, Birmingham, or the South do not need the likes of FIELDS and his party to fight their battles. Integration of the races has been resisted most effectively where it has been done legally and with the dignity befitting defense of honest principle. Extremists on either side make matters more difficult. Their agitations are not welcome here."

The Birmingham News for October 23, 1961, stated that the City of Fairfield, Alabama, had been sued in the United States District Court at Birmingham by two members of the NSRP, "seeking to enjoin the city from abridging freedom of speech and interfering with peaceable assembly." This article said the suit was filed by EDWARD R. FIELDS, 1509 Mims Street, S.W., and VICK ASHURST of Montgomery, Alabama. The article stated that defendants, along with the City of Fairfield, were Fairfield's Mayor CLAUD J. SMITHSON, City Attorney FRANK B. PARSONS and Police Chief THOMAS H. WARD.

Birmingham Confidential Informant T-2 advised on September 26, 1961, that meetings of the Montgomery, Alabama, Chapter of the NATIONAL STATES RIGHTS PARTY continued to be held at Chester's Restaurant on U. S. Highway No. 31 South on Monday nights. T-2 said there were approximately 20 to 25 individuals present on September 4, 1961, and approximately 50

BH 105-477

people present on September 25, 1961. J. B. STONER of Atlanta, Georgia, according to T-2, spoke at the meeting on September 4, 1961, attacking the Federal Bureau of Investigation and Director HOOVER, accusing them of aiding the World Communist conspiracy to enslave the world. STONER told those present to refuse to talk to FBI Agents if they are questioned in the future. T-2 said that [] was Chairman of this meeting; that [] announced that the NSRP has a mobile organizing unit, a trailer, which is to be used to organize meetings around Alabama. Mr. [] said, according to T-2, "it might have bullet holes in it when you see it." T-2 said that the principal speaker at the meeting on September 25, 1961, was [] a Baptist preacher; that [] appeared to favor the "Ku Klux Klan" and also said he would use arms to defend the white race if necessary. [] announced that the NSRP had collected about \$700.00 thus far, with \$400.00 remaining in the treasury. Informant said it was believed that [] was referring to the Montgomery, Alabama, chapter only. [] said, "We should make sure how our ministers stand on segregation."

T-2 advised on October 20, 1961, that a meeting of the NATIONAL STATES RIGHTS PARTY was held at Chester's Restaurant, Montgomery, Alabama, on the night of October 16, 1961. There were approximately 40 individuals present, including 8 women. T-2 said [] was the main speaker and that he talked about the Bible proving that segregation is right. [] commended CLAUDE HENLEY on HENLEY's action at the bus station in Montgomery when the "Freedom Riders" came to Montgomery in May, 1961. T-2 said [] mentioned that the "one he would have liked to see ~~hugger~~ whipped was the President's personal representative." [] County Chairman, announced a plan to break up meetings into small groups of members. [] announced that the NSRP is operating in thirty-eight states and has more than 80,000 members in the nation.

NSRP ACTIVITY IN NEW YORK

On October 30, 1961, Detective [redacted] Bureau b6
of Special Services, New York City Police Department, advised b7C
that during the weekend of October 27-29, 1961, the below
described demonstrations took place in New York City:

On Friday evening, October 27, 1961, [redacted]

[redacted]
the latter being New York representative of the National States
Rights Party, picketed from 7:00 P.M. to 8:00 PM in front of
the Hotel Astor, New York City, where a dinner under the aus-
pices of the American Guild of Variety Artists was being held
in honor of SAMMY DAVIS, JR., Negro entertainer, naming DAVIS
as AGVA's "Man of the Year". These pickets carried signs
reading, "We are not Nazis, we are Fighting American Nationalists";
"Gas red traitors and support racial separation"; "Stop lynch
mob tactics against the F.A.N."; "Sammy Davis, Jr. and May Britt
really don't fit; Fighting American Nationalists"; "Astor Hotel
houses race-mixing Sammy Davis, Jr.", and "Race-mixer of the
year, Sammy Davis, Jr.; Fighting American Nationalists." There
were no incidents during this picketing.

On Saturday, October 28, 1961, from 10:30 A.M. to
11:30 A.M., [redacted]
picketed at the front entrance of the "New York Post" carrying
the following signs: "We are not Nazis, we are Fighting
American Nationalists"; "Gas red traitors and support racial
separation"; "Stop lynch mob tactics against the F. A. N."
and "NSRP joins mounting attack against vile 'Post' smear on
FAN". There were no incidents during the above picketing.

On Saturday evening, October 28, 1961, the following
demonstrations took place outside St. Nicholas Arena, New York b6
City, where annual dinner for "The Worker", weekly Communist b7C
newspaper, was held:

From 6:00 P.M. to 8:00 P.M., ROY FRANKHAUSER,
Reading, Pennsylvania, [redacted] New York representative
of the NSRP, and [redacted] picketed under
the banner of the NSRP, [redacted] who carried a Confederate
flag and his brother, [redacted] wore grey cotton shirt and
trousers with no insignia or armbands.

BH 105-477

Issue No. 32 of "The Thunderbolt", self-described as the official White Racial Organ of the NATIONAL STATES RIGHTS PARTY, announced that WILLIAM HOFF was the leader of the NSRP in New York.

On November 17, 1961, Detective [redacted] Bureau of Special Services, New York City Police Department, advised he had interviewed [redacted] on November 15, 1961, and had obtained the following information from him:

[redacted] stated he resides in a basement apartment at [redacted] Brooklyn, New York, and has resided there since 1940. He stated he resides at this address with his [redacted]

b6
b7C

[redacted] stated he is single and has never been married. He was born in [redacted] and is employed as a [redacted] and has been [redacted]

[redacted] stated that in July, 1961, he met in New York City with ROY FRANKHAUSER, who lives in Reading, Pennsylvania, and who is National Organizer of the NSRP, the headquarters of which is located in Birmingham, Alabama. On this occasion, [redacted] stated that FRANKHAUSER appointed him New York State Chairman of the NSRP and this appointment was verified by mail within ten days in a letter received by [redacted] and signed by DR. EDWARD FIELDS, National Information Officer, NSRP, Birmingham, Alabama. According to [redacted] his appointment was effective as of August 1, 1961.

b6
b7C

[redacted] stated that the New York State Unit of NSRP has no permanent quarters at this time. When meetings are deemed necessary, they are held at [redacted]'s residence or that of another NSRP member.

The NSRP, according to [] has subdivided New York State into about 14 units. Each unit is centered around a large city within the state. New York City is one such unit. [] claimed a membership of 23 in New York City and about 300 throughout New York State. In addition to these, there are about 40 more persons in the New York City area who are recipients of leaflets and copies of "The Thunderbolt" but are not dues paying members of the NSRP. [] stated that he received the names of these last mentioned individuals from the office of the NSRP in Birmingham, Alabama.

b6
b7C

After approval of an application, an individual becomes a member of the NSRP on payments of a \$5.00 enrollment fee and must continue to pay membership dues of \$1.00 per month. All monies collected in this matter are used to offset local organization costs in New York State. [] declined to furnish Detective [] with a list of the New York State members of the NSRP.

[] stated that, from time to time, NSRP units will join picket demonstrations sponsored by some other group whose program may be similar to that of the NSRP. [] stated the NSRP does not sponsor demonstrations, only joins others. On such occasions and when meetings are scheduled, according to [] NSRP members wear the official uniform of the Party, which consists of grey shirt and trousers, black tie and shoes, and an arm band emblazoned with a thunderbolt.

[] stated that the aims of the New York State Chapter of NSRP are "for a white Christian America"; that his group opposes all Zionism as being "un-American and as dangerous to our freedom as communism." [] stated that by Zionism he meant "Jews of any kind". [] stated the NSRP demands that the Federal Government return the "right of self-government to the States in the Union on issues involving segregation in schools, housing and employment." [] also stated that the issue of segregation in restaurants and rest rooms were matters for individual state determination rather than "federal interference".

b6
b7C

[] stated that the NSRP is not affiliated with any other group and on those occasions when he has picketed with an organization called the Fighting American Nationalists (FAN), he did so as an individual and not as an official of

BH 105-477

the NSRP. [] stated that his group agrees with the program of FAN and the American Nazi Party (ANP) and plans to augment demonstrations by FAN and the ANP in the future. [] stated that in his opinion, FAN is "a local Nazi, anti-Zionist group". [] stated he has not become a member of either FAN or the ANP because it is against the policy of the NSRP for its members to have membership in these organizations.

In the opinion of Detective [] has greatly exaggerated the membership of the NSRP both in New York City and New York State, for even though the NSRP may have sympathizers in the New York area, there does not appear to be an active NSRP membership of any size in New York. Detective [] pointed out that whenever the NSRP has participated in the past in demonstrations in New York City only [] have participated as NSRP members with the exception of October 28, 1961, when they were joined by ROY FRANKHAUSER, NSRP member from Reading, Pa., during picketing outside St. Nicholas Arena, New York City, where the annual dinner for "The Worker", east coast Communist newspaper, was being held. b6 b7C

Records of the Bureau of Special Services, New York City Police Department, indicate that [] participated with FAN in picketing Carnegie Hall, New York City, on March 3, 1961, during a rally sponsored by the Communist Party (CP) to celebrate the 80th birthday of WILLIAM Z. FOSTER, and on July 22, 1961, picketing at the headquarters of the Congress of Racial Equality (CORE), 38 Park Row, New York City. On the latter occasion, [] identified himself as Assistant New York State Director of the NSRP.

NSRP ACTIVITY IN LOUISIANA

Birmingham Confidential Informant T-3 advised on September 28, 1961, that the NSRP held a meeting at the Woodman of the World Hall. It had been announced and was expected that DR. EDWARD R. FIELDS, Information Director of NSRP, would come to New Orleans to speak at the meeting, but he did not come and at the meeting it was stated that he was suffering from a throat infection.

T-3 stated the speakers at the meeting were ROY EVERETTE FRANKHAUSER, JR., National Organizer of the NSRP, [redacted] connected with the Youth Movement of the NSRP, and [redacted] from Alabama. T-3 stated that approximately 70 persons attended the meeting, which was guarded by "Blue Shirts of Louisiana", which was formerly known as "The Americanos Dedicados Nacionales", new names for the uniform guard formerly known as "The Thunderbolt". Six of the guards were inside the hall in uniform and two without uniform were seated in automobiles outside the hall to observe the coverage of the meeting by the New Orleans Police Department.

b6
b7C
b7D

T-3 advised on November 6, 1961, that the "Blue Shirts of Louisiana", which is an offshoot of the NATIONAL STATES RIGHTS PARTY, is using the mailing address of P. O. Box 8351, New Orleans 22, Louisiana, and that the principles of this organization are as follows:

- (1) National Americanism: America first before any other Power or Organization.
- (2) Preservation of all Ethnic-Cultural Groups within the United States.
- (3) Establishment of Corporative Councils including all workers, professions, and employers to institute economic justice for all people.
- (4) Removal from the Government of all Communists and Social-Revolutionists, regardless of Race, Creed, Color, or National Origin.
- (5) Establishment of local Blue Shirt Units to defend the Republic from Communists and Social-Revolutionists.

BH 105-477

T-3 stated that sample slogans of "Blue Shirts of Louisiana" are: "AMERICA ARISE"; "ONWARD WITH NATIONAL AMERICANISM! DOWN WITH ALL COMMUNISTS! DOWN WITH ALL SOCIAL-REVOLUTIONISTS!"; and "JOIN NOW! BECOME A SOLDIER OF THE ANTI-COMMUNISTS FRONT!"

BH 105-477

NSRP ACTIVITY IN OKLAHOMA

Issue No. 35 of "The Thunderbolt", dated October, 1961, printed the following article entitled "Oklahoma":

"State Organizer GARY SMITH announced:

"The N.S.R.P. of Oklahoma is starting an extensive membership drive here. We will appreciate any small personal contributions or help in any other way such as suggesting new members, moral support, and common consideration of our views and proposals. This appeal is not only to local readers, but to all friends of the White Race everywhere. If you can help in any way WRITE: National States Rights Party, P. O. Box 774, Cushing, Oklahoma."

BH 105-477

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the ANP, advised Special Agents of the Federal Bureau of Investigation that the FIGHTING AMERICAN NATIONALISTS (FAN) was organized by [redacted] as an anti-communist organization. ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, ROCKWELL said.

b6
b7C

ROCKWELL continued that there are three members of the FAN in Washington, D.C., as follows: [redacted]
National Director, [redacted]
[redacted]

A source advised on February 17, 1961, that in talking to [redacted] Deputy Commander, ANP, [redacted] stated there is no legal connection between FAN and ANP, but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

"chiropractor, is a key figure in the National States Rights Party and co-ordinator of all its activities, contacts and liaison with leaders of other hate groups. He apparently started Jew-baiting in his teens, aided STONER in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week."

A source advised in May, 1961, that Doctor EDWARD R. FIELDS participated in the disturbance at the Trailways Bus Station, Birmingham, on May 14, 1961, involving the "Freedom Riders", and, in fact, caused the fighting there.

The KU KLUX KLAN has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

U. S. KLANS, KNIGHTS OF THE KU KLUX KLAN, INC.

A source advised on October 12, 1956, that ELDON LEE EDWARDS organized a new Klan group at Atlanta, Georgia, in 1953. This organization received a corporate charter in Georgia in October, 1955, under the name U. S. KLANS. The same source and a second source advised in May, 1960, that U. S. KLANS has no direct affiliation with any previous Klan group, but utilizes with only minor changes the Klan Kloran or ritual written in about 1915 by WILLIAM JOSEPH SIMMONS for use by the old Knights of the Ku Klux Klan (1915 - 1944).

These sources advised that U. S. KLANS has as its principal aims and objectives the promotion of Americanism, white supremacy and segregation of the races. On numerous occasions, EDWARDS announced that these objectives would be attained by legal means and without violence.

The first source and a third source advised in February, 1961, that at that time a split occurred in U. S. Klans, which resulted in a great majority of the officers and members pulling out and forming a new Klan group.

These sources advised in May, 1961, that U. S. Klans continues to operate, but has only a few units, most of which are located in the metropolitan area of Atlanta, Georgia.

Re Philadelphia letter to New York, dated 2/16/62.

Referenced communication requested that Birmingham and Philadelphia be furnished background of MATT KOEHL and be alerted for appearances in Chicago of ROY FRANKHOUSER.

Publications of captioned organization have in the past identified MATTHIAS KOEHL, JR., as a National Officer of the National States Rights Party. By letter to the Atlanta Division dated December 11, 1959, Louisville, then office of origin in this investigation, advised that office was then considering KOEHL, a National Organizer of the National States Rights Party, as a leading figure of that organization on a national scale.

In compliance with the current request of Philadelphia, the following is submitted regarding KOEHL:

Residence and Employment

On April 19, 1962, CG T-1 advised that MATTHIAS KOEHL currently resides at 2124 North Damen Avenue, Chicago, Illinois, the present Chicago headquarters of the American Nazi Party.

This same source advised KOEHL is employed by the F.E. Compton Pictured Encyclopedia Company, 77 West Washington, Chicago, Illinois.

activities generally confined to the New York City area. CG T-2 stated that it was founded in 1949 by JAMES MADOLE, who is in complete control of the Party. The "Party's" main function is the distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature, obtained from official Arab establishments in New York City. The Un-American Activities Committee of the United States House of Representatives in a preliminary report dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

The "National Renaissance Bulletin," dated June, 1953, under the heading "National Renaissance Party Grows in Power" by JAMES M. MADOLE, reflects that the fully uniformed corps in New York City had been placed under the joint command of MATT KOEHL, JR. and one other.

On July 15, 1953, CG T-2 stated that in July, 1953, MATT KOEHL was a youth who has attended all of the meetings of the NRP and has assisted MADOLE in conducting these meetings. KOEHL holds the American Flag while MADOLE speaks at street meetings.

The informant stated that in a "National Renaissance Bulletin" put out some time around July, 1953, KOEHL was listed as being in charge of the uniformed corps of the NRP in New York City.

On February 4, 1958, CG T-3 advised that he had recently learned that MATT KOEHL attended a meeting sponsored by the Citizens Council of Louisville, Kentucky at the Henry Clay Hotel, Louisville, Kentucky. Among the speakers was a Reverend [redacted] of Marion, South Carolina, who is the head of the Knights of the KKK in North Carolina and who talked of the trouble at a Klan meeting at Maxton, North Carolina, on January 18, 1958. Another speaker spoke and outlined the procedure for setting up support for the UWP. It was also learned by CG T-3 that MATT KOEHL had remained after the meeting, along with approximately 20 others, and had discussed the platform of the UWP and what organizations would be accepted for affiliation. This meeting was held February 1, 1958. (NSRP formerly known as the United White Party (UWP)).

On March 24, 1958, CG T-4 exhibited a letter which contained a letterhead of the UWP, which was signed by Dr. EDWARD FIELDS, Louisville, Kentucky, dated February 26, 1958, and was addressed to "Fellow Patriots". This letter reflects that on Saturday, March 1, MATT KOEHL, National Organizer of the UWP and Dr. FIELDS would be in Atlanta. This letter enclosed a leaflet of the UWP on segregation matters and reflected MATT KOEHL to be the National Organizer.

The July, 1959, issue of "The Thunderbolt", self-described as the "official Racial National Organ of the National States Rights Party," identified MATT KOEHL as National Organizer of the NSRP.

On September 23, 1959, CG T-5 advised that MATT KOEHL was on that date in Miami, Florida, conferring with [redacted] State Chairman of the NSRP in Florida.

Realpolitical Institute (RI)

On December 12, 1956, CG T-6 advised the RI, Post Office Box 1785, Chicago 90, Illinois, was started by MAYNARD NELSEN in late 1954 in Chicago, Illinois, for the purpose of creating a new political party. This organization is anti-Communist, anti-Semitic and favors the white race. NELSEN has been in contact with FREDERICK WEISS in the New York City area, who has in the past promoted neo-Nazi activities.

This organization, which is primarily a one man organization, has failed to "get off the ground" and does not attract interest or a following. NELSEN's main activities in this organization have been the occasional circularizing of printed, mimeographed "Hate" sheets, primarily in the Chicago area.

CG 105-4630

On January 16, 1957, Major [redacted] Region VI, 113th CIC Detachment, St. Louis, Missouri, furnished to SA [redacted] a copy of a letter dated January 1, 1957, which was printed on RI stationery. This letter reflects that it is from the Administrative Staff of the above organization to white American citizens regarding disloyal Jewish consensus and the subject is white man survival. The body of this letter reflects:

"The REALPOLITICAL INSTITUTE is dedicated to the racial survival of the white man, both here in the United States of North America and throughout the world."

At the bottom of this letter there appears a slogan which states "WHITE MAN AWAKE - THE HOUR IS LATE."

On June 6, 1956, CG T-7 furnished a copy of a letter dated June 2, 1956, which was signed by MATT KOEHL. This letter contained a letterhead of the RI, Post Office Box 1785, Chicago, Illinois, which letterhead listed among its Administrative Staff, MATT KOEHL, as a "leader." This letter advised of KOEHL's then current address, 469 Demming Place, Chicago 14, Illinois, and stated "Please Be Informed of My New Address. I am ready to assist in the killing of Jews any time so called upon to serve my country. I believe I am qualified by my background to be of invaluable assistance to this mighty task." This letter, it was learned, was sent by KOEHL to the local draft board at New York City.

On July 17, 1956, CG T-2 advised that MATT KOEHL was, at that time, residing in Chicago and working with MAYNARD NELSEN, leader of the RI. He stated that KOEHL recently mailed out invitations stating that the "Chicago Committee for the Reception of Nationalists Observers at the Democratic National Convention, August, 1956," cordially extends this invitation to visit its service center in the East Room of the Atlantic Hotel at 1316 Clark Street, Chicago, Illinois, on the 12th through the 15th of August. CG T-2 advised that he believes KOEHL and NELSEN were endeavoring to obtain publicity through the above-mentioned invitations and that their aim is to create confusion and embarrassment at either or both of the major political conventions.

CG 105-4630

On October 23, 1959, CG T-8 advised that MATT KOEHL had, in his possession, a document entitled, "Perspectus for the Creation of a Realpolitical Institute Publication." This document indicates that the proposed name for this publication was to be the "Frontier" and MATT KOEHL was listed as policy editor on the prospectus. This document listed as the editorial formula for the publication "to stimulate presentation for the advanced, revolutionary outlook on political, social, economic and racial issues."

On April 19, 1962, CG T-1 advised that MATTHIAS KOEHL was one of the original associates of the American Nazi Party in Chicago, Illinois, and was instrumental in the formation of such organization in November of 1960. He has since that time acted in the capacity of second in command and currently holds the rank of Lieutenant in the Chicago Branch of the American Nazi Party.

AMERICAN NAZI PARTY

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party, and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

ROCKWELL on March 26, 1959, furnished Special Agents of the FBI a copy of the program of the WUFENS stating that he expects to become president of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 923 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the Spring of 1960 on the Mall in Washington, D.C.

Friday evening March 23rd at 8PM a meeting was held at the ANP headquarters, 2124 N. Damen Avenue. Those present at the meeting were [redacted] KOEHL, the two [redacted]
[redacted]

The ANP oath was administered by Captain [redacted] to [redacted]. The swearing in of [redacted] was postponed until after the trial. (To be on the safe side). [redacted] had not had their application notarized so they were not sworn in. (Four more are to be sworn in next Friday, also rank is to be given.)

[redacted] read a couple of letters he received: one was from a former U.S. Marine captain (believed named [redacted]) divulging a plan whereby these troopers getting severe wounds in action like one might get in a riot would be awarded a medal for being a casualty. Also medals would be given to those participating in a riot.

The telegram that was sent to Col. [redacted] and the copy sent to the J.W.V. brought down the house. [redacted] also said that it was the Jewish War Veterans who told the police the story about the guns that was to be delivered to ANP headquarters just to get even.

b6
b7C
b7D

The other letter he told about was a crank letter he received but didn't bother to read it.

MATT KOEHL read a letter that he received from Dr. FIELDS of the NSRP asking him to please resign from his organization (KOEHL was Security Officer of the NSRP) because he, KOEHL was a source of embarrassment to the NSRP because of his association with the American Nazi Party. FIELDS was putting in the THUNDERBOLT that the reason for KOEHL's resignation was that he was devoting all of his time to the management of the Vinland Bookstore. The contents of FIELDS' letter was that he was letting himself in for a lot of grief (such as jail, smears, bodily harm etc.), that Nazism was alien to America, that it was dead and that people wouldn't buy it, that [redacted] pulled out because they were disgusted with ROCKWELL, and that things were pretty bad at Arlington.

Following this, KOEHL read in part his reply to FIELDS. He said that FIELDS was a Nazi whether he knew it or not, that they were both fighting for the same thing, that there were no short cuts to power, no nice ways to get power, that pantywaist methods were valueless and a waste of time. To make a long story short he resigned.

The third letter that [] read was one from Arlington stating that each headquarters keep a running record of all major happenings. This record is to be assigned to one trooper (a member of the party). This diary is to be a certain size and after the year is up it is to be sent to the main headquarters at Arlington for the party historian.

[] gave a short report on the picket last Thursday night. It was held in front of the State-Lake theater in protest of SAMMY DAVIS, JR. According to [] they, i.e. []

[] were picketing for about 5 minutes when a policeman came up and told them to get off the street. Then [] said that they were not on the street. The policeman got mad, the wagon pulled up and they were told to get inside. This was a White Youth Corps picketing. [] who was just standing by observing jumped into the wagon with the boys. According to him everything was going peacefully while they were carrying signs and distributing literature. One piece of literature passed out was "Nigger, You too can be a Jew." The uniform was white shirt, black tie and black armband with the youth corps symbol in white. [] were taken to the juvenile section but the others were at the main building at 11th and State St. [] both said that the majority of the cops there preferred race-mixing.

[] gave a short report on what went on in 11th St., station. Bail was set at \$200 each on three counts. [] was also arrested. Disorderly conduct and defamation of character are the charges. Re Chicago letter 4/30/62.

The following additional information concerning MATTHIAS KOEHL, Jr. has been received by the Chicago Office and is forwarded for the additional information of your division.

On 3/30/62, [redacted] PCI (RAC) of the Chicago Division (protect - deemed advisable) advised that he had learned that MATT KOEHL recently had received a letter from Dr. EDWARD FIELDS of the NSRP asking KOEHL to resign from the NSRP because he, KOEHL, was a source of embarrassment to the NSRP because of his current affiliation with the American Nazi Party (ANP). Reportedly FIELDS was to announce in the "Thunderbolt", the official publication of the NSRP, that the reason for KOEHL's resignation was that he wished to devote his full time to management of the Vinland Bookstore.

b6
b7C
b7D

FIELDS reportedly advised KOEHL he was letting himself in for a lot of grief such as jail, smears, bodily harm, etc. He also stated that Nazism was alien to America, that it was dead and that people would not buy it. He noted that certain of ROCKWELL's former associates had pulled out of the ANP in disgust with ROCKWELL, the national commander of that organization, and he alleged that things were in a pretty bad state in Arlington, Virginia, the national headquarters of the ANP.

Source continued that he had learned that KOEHL was to write FIELDS advising him that he, FIELDS, was a Nazi whether he knew it or not and that both he and FIELDS were fighting for the same thing. KOEHL was to tell FIELDS that there were no shortcuts to power, no nice ways to secure such power and that pantywaist methods were valueless and a waste of time. In short, KOEHL was to resign his affiliation with the NSRP.

On June 8, 1962, [redacted] Anti-Defamation League, Daniel B'ath, 348 South Dearborn Street, Chicago, Illinois, advised the Chicago Division, Federal Bureau of Investigation, that according to the current issue of the "Thunderbolt", the publication of the National States Rights Party (NSRP), the Illinois Branch of that organization is *INTENDED* scheduled to hold a meeting on Saturday, June 16, 1962, at the La Salle Hotel, Chicago, Illinois.

The meeting, according to this announcement, was scheduled to commence in Parlor F of the mezzanine, La Salle Hotel, at 8:30 PM and admission charge of \$1.00 plus exhibition of membership card would be expected of those attending. Personal guests, the announcement stated, were welcome. Max Nelson, III, was identified as host for the meeting and as Chairman of the Illinois NSRP.

On June 19, 1962, a confidential source advised that on Saturday night, June 16, 1962, at 8:45 PM a meeting was held in Parlor F, La Salle Hotel, La Salle and Madison Streets, Chicago, Illinois. The meeting had been advertised as a gathering of the NSRP. Maynard G. Nelson chaired the meeting and in his opening remarks stated that the meeting had been called by himself as Illinois representative of the NSRP, however, the meeting was of the Institute for Biopolitics.

According to this source, approximately 55 persons attended this meeting which number included the following, all members of the American Nazi Party (ANP) in Chicago, Illinois:

b7D

Source continued that in addition to those identified above, the following individuals were noted as being present at this meeting. Though not actually members of the ANP, all of the following are affiliated in some capacity with that organization:

[REDACTED]

Waynard Nelson began the meeting with a 45 minute introductory talk in which he explained that the Institute for Biopolitics is an organization established to help prevent racial suicide by the white race and to help the white race to continue to exist without being "swallowed up" by the black masses. Nelson stated that his purpose in calling this meeting was to explain this fact and to acquaint the people with the situation today.

Nelson stated in his talk that "among the right" the NSRP is a "vote getting" branch and the ANP is the "action group". Nelson advised that he presently is a member of the Institute for Biopolitics and is the Illinois representative of the NSRP. He denied being a member of the ANP. Nelson added that while the NSRP and the ANP have no official connection they have a common ground in that they both believe in the separation of the races.

Re: NATIONAL STATES RIGHTS PARTY

Nelson stated that George Lincoln Rockwell, ANP Commander, was present on this occasion at his, Nelson's, invitation. He identified Rockwell as guest speaker for the meeting.

Nelson in his remarks, source stated, addressed an appeal to those present for the Vinland Book Store located in the ANP Headquarters, at Chicago, Illinois, which store is operated by the Chicago Branch of the ANP. Nelson remarked that he personally would appreciate those present patronizing the book store.

Source stated that following Nelson's comments, he introduced George Lincoln Rockwell as the main speaker of the evening.

Rockwell explained his personal stand and that of the ANP. He stated that while he is opposed to Jews in general he is not against them because they are Jews, but rather because he is opposed to all traitors and he estimated that approximately 80% of the Jews in the United States today are traitors. Rockwell stated that Communists are traitors and that Communism is Jewish, developing from the days of Karl Marx.

Rockwell explained the reason for the ANP adopting the Nazi Swastika by describing it as a "shock symbol". He explained that the Swastika is a symbol of the white man's struggle for survival.

Source stated that Rockwell in his comments denounced as lies the many atrocities attributed to Hitler. He stated that "we are going to do some of these things attributed to Hitler which he didn't get done".

Source remarked that Rockwell's comments were well received by those present. He terminated his talk by shouting "Sieg Heil". Certain of those present in the audience responded by returning the "Sieg Heil".

Re: NATIONAL STATES RIGHTS PARTY

Source stated that during the course of this meeting a collection was taken from those present. This collection, which was in addition to the admission of \$1.00 charged at the door, was according to Maynard Nelson, to be used to defray expenses of the Vinland Book Store. Source noted that proceeds from this collection were turned over to Matthias Kechl.

Following Kechl's talk the meeting terminated at approximately 11:20 PM.

On June 18, 1962, details regarding this activity were furnished to [redacted] Operations Officer, Region I, 113th INTC Group, Chicago, Illinois.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a confidential source advised that the United White Party was organized at a convention in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that "a Ku Klux Klan spokesman" of Greenville reported the recent formation of a new political party to be known as the "United White Party". According to the article that party was formed at a recently held meeting in Knoxville, Tennessee, at which time many Klansmen were represented. The United White Party was reported as being opposed to all "race mixing organizations and individuals". The July, 1958 issue of "The Thunderbolt", self described as the official racial nationalist organ of the NSRP, reported that rank and file "States Righters" had merged with the United White Party under the banner of the NSRP.

In November, 1958, a confidential source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

The Ku Klux Klan has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

AMERICAN NAZI PARTY, ALSO KNOWN AS
WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 24, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization in furtherance of these objectives, has consisted of picketings with anti-Jewish and anti-Negro placards and talks by ROCKWELL attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

On 5/8/62 ROY E. FRANKHOUSER, JR., advised Agents that he had just received a letter from ED FIELDS, and FIELDS is "trying to put me in jail." FRANKHOUSER said that as a result of his resigning as National Organizer of the NSRP, MATT KOEHL, Security Officer, Chicago, Ill., also resigned and "FIELDS sees his organization wasting away."

FRANKHOUSER said that FIELDS wrote that if FRANKHOUSER does not reconsider, the NSRP will withdraw all support of J. B. STONER and the NSRP defense fund from FRANKHOUSER, and he will probably do time on a Georgia chain gang as a result of the charges against him some months ago. FRANKHOUSER advised these assault charges had been dropped and the case closed, but FIELDS is probably exerting pressure to have it reopened; however, FRANKHOUSER will not recant.

Insofar as sources are aware locally, FRANKHOUSER has no organization and no following except [redacted] Reading, Pa., associates. There have been no known activities since 3/31/62 when FRANKHOUSER and SCHNEIDER were present as observers when a representative of ROCKWELL's ANP picketed a movie where picture "HITLER" was playing.

NATIONAL STATES RIGHTS PARTY
RACIAL MATTERS

Reference is made to memorandum dated June 20, 1962, captioned as above.

The last issue of the "Thunderbolt", the official organ of the National States Rights Party (NSRP) sets forth that the Illinois Branch of that organization intended to hold a meeting on Saturday, June 16, 1962, at the La Salle Hotel, Chicago, Illinois. The meeting, according to this announcement, was scheduled to commence in Parlor F of the mezzanine, La Salle Hotel at 8:30 PM and an admission charge of \$1.00 plus exhibition of membership card would be expected of those attending. Personal guests, the announcement stated, were welcome. Max Nelsen, III was identified as host for the meeting and as Chairman of the Illinois NSRP.

On June 19, 1962, a confidential source advised that on Saturday night, June 16, 1962, at 8:45 PM a meeting was held in Parlor F, La Salle Hotel, La Salle and Madison Streets, Chicago, Illinois. The meeting had been advertised, source stated, as a gathering of the NSRP. Maynard O. Nelsen chaired the meeting and in his opening remarks stated that the meeting had been called by himself as Illinois representative of the NSRP, however, the meeting was of the Institute for Biopolitics.

According to this source, approximately 55 persons attended this meeting among whom was a representative number of members of the American Nazi Party in Chicago, Illinois.

This source stated that Nelsen began the meeting with a 45 minute introductory talk in which he explained that the Institute for Biopolitics is an organization established to help prevent racial suicide by the white race and to help the

Re: NATIONAL STATES RIGHTS PARTY

white race to continue to exist without being "swallowed up" by the black masses. Nelsen stated that his purpose for calling this meeting was to explain this fact and to acquaint the people with the situation today.

On June 16, 1962, a second confidential source advised that only two individuals served as speakers during the course of the meeting on June 16, 1962. Source identified these speakers as Maynard Nelsen, Illinois representative of the NSRP and George Lincoln Rockwell, National Commander of the American Nazi Party.

Source stated that Nelsen in his opening remarks made reference to the critical racial situation that faces the white man today. Nelsen pointed out that the saturation point in man's continual crisis of evolution had been reached and that the white man must surpass this crisis or go to his doom. The task of the white man is not to preserve or increase life but to "cull it". The white race, Nelsen stated, which can and will change the shape of mankind, has become a dominant force in the world. Race nationalism is on the rise throughout the world. Source stated Nelsen offered as an example, the Black Muslims which he described as a race nationalist movement. He also cited as a second example the existence of Asiatic race nationalism in Communist China today whereby all outsiders are referred to as barbarians.

Nelsen described as an example of "race attitude" the evidence of racial characteristics coming into play during World War II. Nelsen stated that he having served in Dutch New Guinea found the war there to be particularly vicious because of the existing element of race war, namely the white man against the Asiatic.

In addition, he noted that on the Eastern front there existed a situation of the Slav against the Teuton. This Nelsen said was one of the reasons for the barbarism that existed in both theaters of war.

Re: NATIONAL STATES RIGHTS PARTY

Source continued that Nelsen noted that racial hatred is a part of basic instinct - a basic fear of racial death. Nelsen noted that he himself, described as a product of thousands of years of development though not the end product, has real fear of racial death. Nelsen noted that the only immortality that he recognizes is the immortality of his genes. Nelsen stated he believed that this, the fear of racial death, is the basic motivation for the increase in racial nationalism throughout the world by the existing five primary races.

Our leaders, Nelsen continued, tell us today that we are working to save life but Nelsen questioned could life be saved and for what end. He remarked that a Negro when he rapes a white woman is only expressing the futility of his existence. He characterized this action as a "dumb appeal" for the Negro's own extermination.

Nelsen stated that the white man has been charged to lay down and die for he is no better than the Negro and he is lower than the Jew. He said that the white man has been told he must fall down on his knees and must surrender or he will die. To this Nelsen answered Western man is under pressure which will not allow him to surrender. He has been "forged into an instrument which will be used". He added the white man is under great pressure not only to accelerate his advance but to protect his genes from the retrogressive forces. This Nelsen stated is the task individually and collectively of any race, especially ours a task to carry on the burden of civilization, and those of us who have perceived the challenge flung down must make the most determined effort to improve the race throughout the entire world.

Source added that Nelsen spoke of a number of discussions that he had with people who refer to him as an exterminationist. This Nelsen denied, saying he was not an exterminationist per se but rather that he maintains a strong feeling of responsibility because he, Nelsen, is part of one of the greatest, if not the greatest, phenomena that was ever developed. Continuing, he

Re: NATIONAL STATES RIGHTS PARTY

noted that just as race offers the only escape for the "human condition" so the improvement of man is related by the physical body by which the intelligence is enthroned.

Nelsen, source stated, asked what opposition the colored masses have raised in this racial matter. He pointed out that they have raised none and that they will accept the verdict of history without protest as they have always accepted it. In answer to the question as to Russia's part in this crusade, Nelsen advised that Russia is still the simple peasant of a nation unable to find a place for herself in Western civilization.

Source stated that Nelsen raised the issue of the "Jewish problem" which he described as a "world wide race situation". Nelsen stated that we, apparently meaning the white man, can no longer afford the Jew. He made mention specifically that we cannot afford such individuals as Mort Sahl and Jack Benny nor the other Jewish comedians whom he said are no longer funny. Nelsen remarked that these "have had it" and that he personally believes that some of them are beginning to realize it.

Nelsen continued that the white man's struggle for supremacy is now inevitable and must be carried on to the death. This he stated means unquestioned obedience to the white man's leaders. He noted that the task of a leader is not to shower gifts upon the masses but rather to improve them by making even greater demands of them by what he called "accelerating the selective agencies" which advance them.

Nelsen pointed out that other nations of the world do not understand that America lives by instinct not by intellect. This is why, Nelsen stated, America will lead the white man's battle for survival. This battle is not an intellectual struggle he stated. It is not a debate on the moral issues of extermination. It is not an examination of man's right to survive. Nelsen stated he was not speaking of morality, of ethics, but was talking of "organic racial survival and nothing else".

Re: NATIONAL STATES RIGHTS PARTY

Nelsen commented that because a few "naked savages" have lived for centuries in the Congo they suppose that the resources of the Congo should go to them. If America had followed this law, Nelsen pointed out, this land would be only a little seaboard nation and the rest of the country would be a playground for a few thousand Indians. In this respect, Nelsen pointed out, there has never been and never will be an intellectual discussion of the white man's seizure of this continent from the Indians.

Source remarked that at this point Nelsen interjected comments regarding the Institute for Biopolitics. He noted that this organization and its work is well known throughout the rest of the white world, even more so than in America. He listed a number of countries in which he claimed the Institute had representatives, among which were Germany, France, England, Sweden. He pointed out that they even had representation behind the "so-called Iron Curtain". Nelsen noted for those present that possibly some were confused as to the purpose of this meeting. Source stated he made reference to possible confusion over what he called a "cutting across of the labels". He explained this by saying that many organizations are in touch with the Institute for Biopolitics and he noted that even on the invitation to this meeting was a term "resurrection trinity" which he described as a code term rather than a conventional religious term. He said that such deals with the resurrection of race nationalism and that the trinity referred to the Institute for Biopolitics, the NSRP and the American Nazi Party. Nelsen commented that the Institute for Biopolitics is concerned with race nationalism and at the moment the "shock troops" of race nationalism, whether those present liked it or not, is the American Nazi Party. He said these shock troops are out in the streets and have fought very, very well. He commented that such shock troops are operating throughout Europe today because there is a world wide reawakening of race nationalism.

This source continued that Nelsen at this point remarked that he has never been a member of the original National Socialist German Workers Party nor is he now a member of the American Nazi Party. He noted he is well aware of the racial problems facing the white man today and that he has studied "this man Hitler".

Re: NATIONAL STATES RIGHTS PARTY

Nelsen stated that he, as a race nationalist, recognizes Adolph Hitler as a race nationalist, but stated Hitler was placed in an unfortunate position because he became involved in "German chauvinism". Nelsen theorized, source stated, that if Adolph Hitler had been born in Chicago or Detroit he would be a participating member of organizations such as the Institute for Biopolitics, the National States Rights Party and the American Nazi Party. However, Nelsen remarked that what is today is today and that is what is important. The past should be of no concern to us. We recognize traditions, we recognize errors, we recognize our mistakes.

Source continued that Nelsen pointed out that he had his political awakening while serving with the military forces in Dutch New Guinea. He began his introduction of the next speaker, source stated, by pointing out that there was a man present at that time who had his awakening at the controls of a fighter plane over North Korea. This man, Nelsen stated, carries the "cross of Adolph Hitler". At this point, source stated, Nelsen introduced the national leader of the American Nazi Party, George Lincoln Rockwell.

Source commented that Rockwell was greeted by strong applause and rose to speak, thanking Maynard Nelsen for his invitation to attend this meeting. Source noted that in an attitude of fun, Rockwell commenced by saying he had considered commencing his speech by hollering boo because he was convinced that a number of those present felt he had horns. He noted that people wherever he goes expect to find him raving at people, growling and snarling and that these people are disappointed when they find otherwise. Rockwell claimed that he had been cancelled from a number of television appearances because he does not present this picture.

Rockwell stated that he did not intend to make a "hate speech" nor did he intend to rave and carry on and attempt to inspire those present. Rockwell stated that he was not there to speak of "how bad the Jews are" since he presumed that all present "knew the facts". Source continued that Rockwell, however, stated the "so-called Hebrews" are destroying our

Re: NATIONAL STATES RIGHTS PARTY

race and that evidence of this can be seen wherever you go. He charged that Jews are destroying our youth and our art, and he cited examples which purported to substantiate his remarks. Rockwell claimed that he was present at this meeting to explain to those present the manner in which they should go about "beating the enemy". He pointed out that he was tired of attending right wing meetings in which the matter was discussed again and again and literature was passed about always to the same people. He stated that this type of activity only serves to weaken rather than to strengthen. Rockwell noted that he was in complete agreement with the comments of Maynard Nelsen that evening but he stated unfortunately the right wing today has a "great many crackpots", people whom he described as the type who go off on tangents and never get to the meat of a subject. Rockwell defined the basic problem by saying the Jews today are leading the colored masses of the world in a revolt, a mutiny against the maker of civilization, the white man. Rockwell noted that the Negro was not of particular concern but rather the Jew and in order to beat them you've got to find how it is that they are beating you". Source remarked that Rockwell claimed very few of those present really understand how they have been beaten. He noted that the Jews are not cowards as so many believe, in fact Rockwell stated he has been beaten by some of them. He charged that he has fought them all over the country and that they were probably waiting for him on the street that night. Source added that Rockwell continued by stating that the only way the Jew is going to be beaten is to learn to "play their game". We are losing in this fight, Rockwell claimed, because "our people" won't fight. He charged that we've got to attack them and tell them you're going to kill them. He stated that if the meeting before which he was speaking was an assembly of Jews that he would tell them he was going to gas most of them which Rockwell claimed would drive them insane. Rockwell noted that the "left wing" has an apparatus in which many tough guys are found. He stated that this type person will "punch you right in the nose". Rockwell asked whether in the right wing will we find anybody ready to punch someone in the nose. Source remarked that Rockwell stated that he has such people and has them in sufficient number. He cited examples of two "of our young kids", one of whom he claimed was in the room that night who were hauled into court not because of what they did but rather because of

Re: NATIONAL STATES RIGHTS PARTY

they believe in. He alleged that they were told they could walk from the court if they would denounce Nazism and George Lincoln Rockwell. Rockwell claimed the two whom he described as 16 year olds, stood up in court and said we're Nazis and we'll stay Nazis. Rockwell claimed that one of the two is in custody for five years as a result.

To cite examples of the attitude which he felt was necessary, Rockwell mentioned George Washington, whom he said was a traitor in the eyes of the British Empire. He made reference to the Boston Tea Party. Rockwell charged that he would say directly to the Jew that he was going to gas most of them and he would ask them "now what are you going to do about it"? The right wing, Rockwell stated, needs not just talkers, not just millionaires, not just fighters, but it needs them all. He claimed that everybody present whom he characterized as "the cream of the white race" were necessary to the cause. Liars, sneaks, etc. do not belong in the movement and it is the responsibility of all present to see that such are weeded out.

Source continued that Rockwell stated that it was his intention to make those present understand the necessity of working together and that a "ladies aid society" type of activity will not succeed. He stated that reading the Bible and praying that the Jews will go away won't do but rather it's necessary to fight and unless you do so the race will go, the nation will go, "there'll be nothing left".

Source remarked that Rockwell explained that his tactics may seem questionable to some, that such may indicate he seeks personal glory and publicity. He denied that he received personal glory from his tactics but pointed out the necessity of receiving publicity. He noted that you can't convince anyone of your cause unless you can reach a man's mind. He asked how anyone could be convinced of him if they had not heard of him and did not know what he was preaching.

Re: NATIONAL STATES RIGHTS PARTY

Rockwell stated that all over the world, not just in America, people know of George Lincoln Rockwell. He said he forces the "Jews to give me publicity". Rockwell stated he goes after publicity as he does because this type of thing has an emotional impact. He charged that the Jews maintain control of all media of information so he stated he becomes "so bad, so arrogant, so newsworthy" that he gets on television.

Rockwell stated that he is of the belief there are people all over the country who receive courage from knowing there is someone who hates the Jew and is not afraid to say so. He remarked he believes he has succeeded in creating the image. He stated he has men all over the country willing to act as he directs because they know and understand that he will also do what he tells them.

Regarding his use of the Swastika, source stated Rockwell explained that it should be understood that national socialism has nothing to do with Marxist socialism, that Hitler used the old socialism only because the common interest came before private interest. He said that national socialism says "for the good of the country" and Rockwell stated the white man comes first. Rockwell charged that anyone who stands in the way of the good of our nation or of the white man must get out of the way or "we will take them out of the way". Rockwell stated the Swastika brings him brave young men. It also drives away "the trash". He uses this symbol he said because the "Jews don't like it - it drives them out of their minds".

Rockwell stated that Adolph Hitler was not "a monster" but was a racist, was violently anti-Communist and was a Christian most of his life. Rockwell characterized Hitler as the greatest defender of the white race. Rockwell denounced the statement "better red than dead" and the converse "better dead than red". The latter, he stated, means only that you can't win, you give up. Source stated that Rockwell ended his talk by referring to these comments by saying "to hell with them.. The American Nazi Party wants the red dead - all of them. Sieg Heil".

Re: NATIONAL STATES RIGHTS PARTY

Following Rockwell's remarks, source stated Nelsen made some closing comments. He appealed to those present to lend their support to the Vinland Book Store. He advised those present that a collection would be taken from them as they left the room and that the proceeds of the meeting would go for the benefit of the Vinland Book Store.

Source remarked Nelsen's closing comment concerned George Lincoln Rockwell, whom Nelsen stated "personifies the American white man". Nelsen described Rockwell as a hero who is multiplying himself every day with the men he is attracting.

On July 2, 1962, the first source mentioned advised that the Vinland Book Store is a retail right wing book operation located at American Nazi Party headquarters, Chicago, Illinois, 2124 North Damen, and such is operated by that organization.

On July 11, 1962, [] Fact Finding Department, Anti-Defamation League, B'nai B'rith, 343 South Dearborn, Chicago, Illinois, advised that based on information available to his office, no indication is had that the NSRP has a unit of any description in the Chicago area. [] stated that he is aware that MAYNARD NELSEN serves as Illinois representative of that organization, however, other than NELSEN's activities, no NSRP organizational activity is known to exist in Chicago.

It is noted that during the course of the NSRP meeting held in Chicago, Illinois, on June 16, 1962, no announcement was made relative to the existence of a Chicago branch of that organization. No memberships were solicited nor were funds for that organization asked of those in attendance. No literature of the NSRP was distributed and following the termination of the meeting a donation was asked of those for support of the Vinland Book Store, a retail activity of the American Nazi Party in Chicago, Illinois. In view of these facts, all of which serve to establish that the NSRP does not at this time maintain a functioning unit in the Chicago, Illinois area, the Chicago Office contemplates no further inquiry concerning this organization at this time. This Office will therefore

CG 105-4630

place this matter in a closed status and will remain alert through available sources and informants for any indication that the NSRP is forming a Chicago unit.

RE: NATIONAL STATES RIGHTS PARTY

Birmingham Confidential Informant T-1, who has furnished reliable information in the past, advised on July 29, 1962, that there will be a National Convention of the NATIONAL STATES RIGHTS PARTY (NSRP) at the Municipal Auditorium at Montgomery, Alabama, on Sunday, September 2, 1962. Informant stated that on the nights of September 1 and 3, 1962, there will be meetings for special members only of the NSRP. He said that the Sunday meeting, September 2, would be open to the general public.

T-1 stated he understands that DR. EDWARD R. FIELDS, Information Director of the NSRP and Editor of THE THUNDERBOLT, official newspaper of this group, said recently that the present circulation of this newspaper is approximately 50,000. FIELDS was heard to say that he received 250 new subscriptions in July, 1962, and that he is having 15,000 additional copies of the June issue printed in order to partially meet the demand for this particular issue, which set forth information that President JOHN F. KENNEDY had been married and divorced previous to his present marriage.

Informant advised that ASA "ACE" CARTER, former Klansman at Birmingham, Alabama, has spoken recently on two occasions at the Montgomery Chapter of the NSRP. T-1 said at the first meeting there were about 150 present and at the second meeting approximately 300 were in attendance.

T-1 advised there will be a large NSRP rally in August, 1962, at Birmingham. He stated the plans are not complete for this rally at this time.

Character: RACIAL MATTERS

Synopsis:

The NATIONAL STATES RIGHTS PARTY (NSRP) continues to publish "The Thunderbolt", self-described as the official "White Racial Organ" of this organization. Dr. EDWARD R. FIELDS, Information Director, of the NSRP, and Editor of "The Thunderbolt", continues to reside at 1509 Mims Street, Birmingham, Ala. Information set forth concerning NSRP activity in Alabama, Arkansas, California, Georgia, New York, and Pennsylvania. AN INFORMANT HAS ADVISED THAT DR. EDWARD R. FIELDS ON OCCASION CARRIES A FIREARM ON HIS PERSON. FIELDS HAS WARNED THAT HE WOULD SHOOT ANY FBI AGENT SURVEILLING HIM.

P

DETAILS:

"THE THUNDERBOLT" - Publication of the NSRP

"The Thunderbolt" is self-described as the "Official White Racial Organ of the NSRP".

A characterization of the NSRP is set forth in the appendix to this report.

Issue No. 38 of "The Thunderbolt" for January, 1962, on Page One carried an article which reads as follows:

BH 105-477

"On this page we photographically reproduce an amazing article from the 'American Jewish Examiner.' Every major Jewish newspaper in America carried this interview with this high ranking Jewish General. The daily press is carrying on a fake campaign to make the American people think Communism has turned against the Jews. At the same time Jewish leaders are confidentially informing the average little Jew that Russia is still under Communist Jewish Domination.

"The average Jew lives in mortal fear that if the American people ever found out that Communism was Jewish, great programs would break out in every American city against the Jews. Also if Atomic warfare breaks out the Jews are afraid they might be blamed and punished by the American people. Therefore, there is a great campaign in the daily press with false reports on 'Anti-Semitism in Russia'. It is true that Anti-Communist White Russians are against the Communist Jews ruling Russia. But, the Soviet Government is not Anti-Semitic, because the Government itself is run by Jews. Just keep in mind that the head of the Soviet Bank is a Jew named Ashburg and Khrushchev himself has a Jewish wife and his half Jewish son married a Jew. Thus, Khrushchev's grandchildren are three-fourths Jewish. Please study this Jewish General's words carefully and note where Jewish Generals are in command of vast land areas of Russia. Everyone in Russia is under the iron fist of the Red Army - which is ruled by these vicious Jewish Generals."

Page One of this issue also carried an article which apparently was the article mentioned above. This article in part reads as follows:

"SOVIET JEWISH GENERAL
ASSERTS USSR IS 'ABOUT
TO LIQUIDATE' BIGOTRY

"Soviet officials were doing their 'utmost' to liquidate popular anti-Semitism, he said: 'I was

BH 105-477

"a delegate at the last Communist Party Congress. With me were countless other Jews - generals, physicians, scientists and engineers. A Jewish general is in command of the Far Eastern Region, other Jews command other military areas, divisions, whole fronts. Can things like this happen in the United States, England or France?"

"He declared that the fight in the Soviet Union against anti-Semitism was considerably accelerated after the fall of Lavrentia Beria, Stalin's secret police chief, who was liquidated by Khrushchev, 'when I myself was promoted from colonel to major general. Other Jews carry still higher rank in the Soviet forces.' He estimated that more than 100 Jews hold the rank of general in the Soviet Army."

Page One also carries an article captioned, "KENNEDY ILLEGALLY IN OFFICE", which article is continued on Page Three.

This article in part states:

"Kennedy stole the election. He took Illinois by less than 10,000 votes (which was delivered by the Jew Chicago political boss, Jake Arvey). Texas barely went to Kennedy with the help of the greatest vote stealer of all, Vice President Lyndon Johnson). If Nixon took both Texas and Illinois as all mature observers say he did, he would have had enough electoral votes to be elected president. WE FEEL NIXON ACTUALLY WAS ELECTED PRESIDENT, BUT FAILED TO HAVE THE GUTS AND FORTITUDE TO DEMAND INVESTIGATIONS INTO WIDE SPREAD VOTE STEALING IN ILLINOIS AND TEXAS."

The above article also reflected:

"WE DON'T NEED TO IMPEACH WARREN, KENNEDY HAS ALREADY SAID WARREN WOULD BE REPLACED BY THE JEW RIBBICOFF, WHAT WE NEED TO DO IS TO IMPEACH THE TYRANT KENNEDY. IF YOU AGREE WITH THIS, WRITE AND LET US

BH 105-477

"KNOW. THE N.S.R.P. IS NOW CONSIDERING A NATION WIDE PETITION CAMPAIGN TO IMPEACH THE NUMBER ONE SCOUNDREL OF THEM ALL. THE SO-CALLED 'PRESIDENT' JOHN KENNEDY IS HOLDING OFFICE ILLEGALLY DUE TO OBVIOUS VOTE STEALING IN TEXAS AND CHICAGO. KENNEDY MUST GO, AND CONGRESS CAN RULE UNTIL AN HONEST ELECTION CAN BE HELD AND A POPULAR CANDIDATE ELECTED WHO CAN POLL AT LEAST HALF THE TOTAL VOTES CAST!"

Pages Four and Five of Issue No. 38 carried an editorial entitled "INSIDE U.S. COMMUNIST PARTY MOSCOW DIRECTED TREASON" .

Pages Six and Seven of this issue also contained an article entitled "THE INTERNATIONAL JEW" by "Henry Ford, Founder - First President of the Ford Motor Company".

Page Eight of Issue No. 38 of "The Thunderbolt" for January, 1962 carried an article captioned "DELAWARE ON GUARD". This article reflected that "State Chairman John W. Marshall, Route 2, Middletown, Delaware, is responsible for this recent publicity in the fight against 'Freedom Riders' along Rt. 40. This is the kind of minuteman action which is needed throughout the nation."

Also noted on Page Eight of Issue No. 38 was an article "ANTI-'RIDER' UNIT RT. 40 VIGIL", which reflected the following:

"Since today's Route 40 Freedom Ride has been called off, the 'scouts' of the National States Rights Party won't be on duty.

"John Warren Marshall, Middletown farmer who is state chairman of the party which

"ACCORDING TO the letter, the 'scouts' would notify each restaurant of the approach of the riders. It continues with:

BH 105-477

"Upon notification we suggest that you post a 'closed' sign on your door and let NO ONE in until the integrators have left."

This article also reflected that a Mrs. HELEN GIBASON of Collins Park, was the party's secretary-treasurer.

Page Eight also carried an announcement captioned "MARYLAND", which stated that Maryland membership was growing rapidly and that all interested should write "NSRP, P.O. Box 27, Damascus, Md."

Page Eight of Issue No. 38 also carried an article captioned "NEW YORK" which reflected that Mr. WILLIAM H. HOFF, P.O. Box 1243, Brooklyn 1, N.Y. would assume the position of New England organizer. This article urged all members to give Mr. HOFF their complete cooperation and indicated that he would be contacting the members soon.

Page Eight of Issue No. 38, also carried an article captioned "GEORGIA", which in part stated:

"Mr. Jerry Dutton, 410 E. Howard Ave., Decatur, Ga., is shown here with his well trained police dog. Negroes have a great fear of dogs and NSRP Youth Leader, Jerry Dutton is going to start his own K-9 Corps in the Atlanta area. Mr. Dutton has led numerous picketings against school mixing recently."

Issue No. 39 of "THE THUNDERBOLT", on Page Three carried an article captioned, "CROMMELIN OPENS DRIVE FOR U.S. SENATE", which reflected that JOHN G. CROMMELIN, Rear Admiral, U.S. Navy, (retired) as of February 5, 1962 was a candidate for the U.S. Senate with his campaign headquarters at "Harrogate Springs - P.O. Box 441, Wetumpka, Ala."

Page Three of this issue also carried an article which in part states:

"The most important election being held today, so far as the Racial Right Wing is concerned -- is being held in Alabama for the seat of Sen. Lister Hill. On this page, we re-produce Crommelin's opening campaign statement. Please study over this document closely. Alabama is used to rough and tumble political campaigns, but the fight Admiral Crommelin is bringing to the people is one that is almost beyond the imagination of most of you. Admiral Crommelin stumps the state from one end to the other in his sound truck. At every corner and crossroad he is exposing the real enemy -- the satanic JEW! Crommelin pulls no punches -- in every speech, he names the traitors in office -- he tells the people that it is the Jew who is behind Communism and Race Mixing -- that it is the Jew who has bought control of our government in Washington."

Pages Six and Seven of Issue No. 39 contain an article entitled, "THE INTERNATIONAL JEW", which reflected that it had been written by HENRY FORD, Founder - First President of the Ford Motor Company.

Issue No. 39 on Page Eight also carried an editorial captioned "MONTGOMERY TO HEAR OREGON LEADER". This editorial states:

"REV. BENJAMIN TO SPEAK IN MONTGOMERY.

"The Oregon State Chairman of the NSRP, Rev. Dale J. Benjamin, will speak to the regular Monday night meeting of the Montgomery NSRP Branch on March 5 at 'Chester's Restaurant' on the Mobile Highway. Rev. Benjamin is on a speaking tour of the South with his inspiring message. We hope all Montgomery members will turn out to hear this courageous NSRP leader from Portland, Oregon. Bring your neighbors, wives and children out to hear his message."

Issue No. 39 on Page Eight also carried a photograph of a youth carrying a placard on which was printed, "Impeach The Kennedy Tyrants!" Above the photograph was

BH 105-477

the statement "NSRP YOUTH DEMAND KENNEDY INSPEACHMENT IN ATLANTA MARCH". Below the picture was "JERRY DUTTON KEEPS HIS MEN ON THE FRONT LINE".

Issue No. 40, of "THE THUNDERBOLT" for March, 1962 devoted the entire first page and most of Page Seven to an article captioned "KENNEDY MUST GO". This article carried a subcaption "NSRP Begins Impeachment Proceedings" and set out fifteen grounds on which the NSRP reportedly was seeking the impeachment of President KENNEDY. This article reflected that the National Headquarters of the NSRP was P.O. Box 783, Birmingham, Alabama.

Page Two of this issue was devoted to the endorsement of JOHN G. CROMMELIN for the U.S. Senate from Alabama and was captioned "CROMMELIN PLATFORM FOR ALL AMERICANS". CROMMELIN's platform was set out and reads in part as follows:

"WHEREAS, We White Christian Americans are the greatest freedom-loving, the greatest anti-communist people on earth but our Government in Washington is controlled by the 'communist-jewish conspiracy' and seventy-eight (78) jews placed in key positions (few were ever elected) -- the strangest political paradox in all history,

and,

"WHEREAS, The most serious threat to the security of these United States is not the EXTERNAL economic, military or psychological power of Russia but the even more deadly INTERNAL menace of the world-wide 'communist-jewish conspirach' with headquarters in New York City and Washington, D.C., that controls not only our Federal Government and the Communists in America but the communist Russians as well,

and

* * *

"WHEREAS, The Key to Survival is a thorough understanding of the 'communist-jewish conspiracy' by White Christian Voters and timely positive action by the Congress of the United States, and especially the U. S. Senate, to ATTACK, EXPOSE, STOP AND CLEAN OUT the traitors and dupes who have all but taken over our public communications and Federal Government, .

and

* * *

"WHEREAS, As a result of my twelve long years of continuous fire upon the 'real target' the 'enemy within', and five state-wide political campaigns, and the distribution of hundreds of thousands of literary tracts, exposures and brochures, EVERY WHITE CHRISTIAN VOTER IN ALABAMA WITH 'BAT BRAINS' now knows that 'COMMUNISM IS JEWISH FROM START TO FINISH' and that today's communists are simply another name for so-called Bolsheviks of the late nineteenth century and the satanic Pharisees who were condemned by Our Lord Jesus Christ."

Page Three of this issue carried a heading "JEWS SMEAR CROMMELIN AND NSRP", under which was set out an article captioned "Crommelin, Retired Admiral, Running Again in Alabama," and a subcaption "Bigot, Spewing Hate, Seeks Senate Seat". This article, in part, reads as follows:

"Anti-Jewish and anti-Negro agitators are concentrating their efforts in Alabama this month, where a retired Rear Admiral, John G. Crommelin, is running for the United States Senate nomination on a platform reminiscent of the hey-day of the nazis.

"Strongest support for Crommelin comes from the National States Rights Party, whose newspaper, 'The Thunderbolt,' identifies itself by a conspicuous 'lightning flash' emblem on the masthead, similar to that once made notorious just after the last war when it was the insignia of the Columbians - a group which tried to set up a 'private police' force in Atlanta, Ga., along racist lines."

Pages Four and Five of this issue also carried an article entitled "THE INTERNATIONAL JEW", which reportedly had been written by Henry Ford, Founder - First President of the Ford Motor Company.

Issue No. 41 of "THE THUNDERBOLT" for April, 1962 on Page One carried an article entitled "IMPEACH KENNEDY CAMPAIGN GROWS". This article, in part, reads as follows:

"Why do we want to impeach President Kennedy? In his two years of public office Kennedy has helped the Communists more than any other president and here are the main reasons why he should be impeached:

- (1) Has invited Communists to join our NASA Space Projects.
- (2) Has cut off all aid to the Prince of Laos for not taking the Communists into his Government.
- (3) Has come out in favor of sending grain to Communist China and North Korea.
- (4) Supported the war against the Anti-Communists in Katanga.
- (5) Withheld promised air support for the invasion of Communist Cuba.
- (6) Punished General Walker and Officers for being against Communism.
- (7) Freed two Communist spies, Col. Rudolph Abel and Willie Hirsch.
- (8) Continues to send aid to Communist Yugoslavia and Poland.
- (9) Ordered the U.S. Post Office to distribute Communist mail into the U.S. free of charges.

- (10) Uses Federal Marshals to escort CORE 'Freedom Riders' through the South.
- (11) Has filled the Government with extreme Left-Wingers and Communist sympathizers.

This article further stated as follows:

"In view of these Kennedy antics we urge ALL patriots to join those who have already started getting petitions signed and give us the support we need to present hundreds of thousands of these signed petitions to Congress. When enough of these petitions have been returned to the N.S.R.P. we will send a delegation to Washington and DEMAND that Congress start impeachment proceedings immediately. If you have not received your petition or want more copies send your request to Dr. Edward R. Fields, Box 783, Birmingham, Alabama. Do your part."

Page One of Issue No. 41 also carried an article entitled "ADMIRAL CROMMELINS CAMPAIGN STEAMROLLS". This article endorsed CROMMELIN and stated in part in regard to this political race in which CROMMELIN was involved:

"Because of the great Christ Vs Anti-Christ aspect of this unusual political race, America's most outstanding Christian ministers have traveled to Alabama to rally White Christians behind Admiral Crommelin."

This article also stated in part as follows:

"From far & wide they have come to spend these final critical three weeks beside the brave Admiral who has dared name the real (Jewish) enemy. These ministers now here in Alabama for Crommelin are: Rev. Owen F. Polito of St. Petersburg, Fla., Rev. Wesley Swift of Los Angeles, Calif., Rev. Dale J. Benjamin of Portland, Oregon and Rev. Gordon Winrod of Little Rock, Ark., Reverends Polito, Benjamin and Winrod are all NSRP members, with Rev. Winrod being our new National Chaplain."

BH 105-477

"These ministers and Admiral Crommelin are managing 5 sound trucks all over the state blasting away the Christian message that Communism is Jewish from start to finish and that racial integration of we white people is a Jewish directed scheme to mongrelize the White Race, so that the almighty Jew can sit upon a throne to rule a world populated by a mass of mullato like zombies. We urge you to act now to get your friends and neighbors out to vote for Admiral Crommelin."

NSRP ACTIVITY IN ALABAMA

On July 9, 1962, a Special Agent of the FBI observed Dr. EDWARD R. FIELDS at his residence, 1509 Mims Street, SW, Birmingham, Alabama.

On February 23, 1962, Birmingham Confidential Informant T-1 made available a "Personal Newsletter" dated February, 1962, which reflected that it was published by the "NATIONAL STATES RIGHTS PARTY, DR. EDWARD R. FIELDS, INFORMATION DIRECTOR, P. O. BOX 783, Birmingham, Alabama."

This newsletter was signed by DR. EDWARD R. FIELDS and in part reads as follows:

"The Jewish dominated air waves, newspapers and magazines have begun a hysterical campaign against 'Right-Wing Extremists'.

* * * *

"Almost every Jewish publication and every major Jewish organization has issued public statements that what they fear most is that these so called mild anti-communist organizations may become 'anti-semitic'. IN OTHER WORDS THEY FEAR THAT A LITTLE ENLIGHTENMENT ON THE PART OF THE PEOPLE MAY LEAD TO A TOTAL EXPOSE OF THE PLOT OF THE JEWS and turn the present Anti-Communist program of today into a giant mass drive to rid America of the Jewish problem.

"The National States Rights Party is today the largest organized Anti-Jewish organization in America. (We are also the least smeared - the Jews don't want the people to even know we exist.) Let's mince no words about it. THE NSRP IS AN ANTI-JEWISH ORGANIZATION. Keep in mind the difference between the words anti-Semitic and anti-Jewish. The Arab peoples are the only true Semites on earth - the term anti-Semitic is to confuse the people and is a smear word. We are for the Arab in his fight to liberate the Holy Land from the Zionist Jew - we are therefore pro-Semitic. But, we are Anti-Jewish as we oppose what the Jew as a RACE is trying to do to our Race, Nation and Faith. The Jew opposes and fights everything that we stand for. We, therefore, oppose and fight absolutely EVERYTHING that the Jew stands for.

"It is because we Love our Children, we Love our Country, we Love the Good Things, and the highest standard of living in the world that God granted this nation. We want to see America advance to being the greatest Nation the world has ever seen. We want to see great cities, modern homes for all, illiteracy and disease wiped out. We want all the land developed for both farming and industry. America has just begun to tap its natural resources. We want to save this great nation from bankruptcy through foreign aid and wasteful spending. If we are to show the world the way to peace and civilization, we must be a solvent model for the world to look to. Summit meetings and the co-existence alongside Communism just places us on the same level with Communism. The United Nations not only places us on the same level with Communism, but with the cannibal in Africa. We believe America should be free from international entanglements and free to deal with friendly foreign nations from a diplomatic level for which the position of Ambassador was first created.

"On Every one of these points we run headlong into Jewish opposition. America cannot be saved until we are first free of Jewish domination. America is the land of the White American, not the Asiatic Jew.

"The Jew in America has reached his peak, he now faces the beginning of his downfall. He is now so high, that he has a long way to fall, but by an all out effort on our part we will hasten the eventual day when America will be free from the Jew and we can once again rejoice with our families and friends, that we have regained our freedoms and can work to fulfill the destiny our forefathers began when this free Republic was first founded.

On April 1, 1962, BH T-2 made available a one page leaflet captioned "IMPEACH KENNEDY" which also carried a caption "A PETITION TO IMPEACH PRESIDENT JOHN F. KENNEDY", and reads as follows:

"WHEREAS; The U.S. Constitution gives we, as citizens, the right to begin impeachment proceedings, we do hereby request that the U.S. House of Representatives compel John F. Kennedy to stand trial before the U. S. Senate on the following charges:

- 1) Has invited the Communists to join our NASA Space projects.
- 2) Has cut off all aid to the Prince of Laos for not taking the Communists into his Government.
- 3) Has come out in favor of sending grain to Communist China and North Korea.
- 4) Supported the war against the Anti-Communists in Katanga.
- 5) Withheld promised air support for the invasion of Communist Cuba.
- 6) Punished General Walker and other officers for being against Communism.

BH 105-477

- 7) Freed two Communist spies, Col. Rudolph Abel and Willie Hirsch.
- 8) Continues to send aid to Communist Yugoslavia and Poland.
- 9) Ordered the U. S. Post Office to distribute Communist mail into U.S. Free of charge.
- 10) Uses Federal Marshalls to escort CORE 'Freedom Riders' through the South.
- 11) Has filled the Government with extreme Left-Wingers and Communist sympathizers.

For these and other acts giving aid and comfort to the enemies of the United States of America we the undersigned respectfully petition the Congress of the United States to begin impeachment proceedings."

This blank petition carried space for twelve signatures plus space for the complete address of the signers. The petition also stated that more copies of the petition form could be obtained upon request and the petition also solicited donations to help take care of the handling and postage. The petition further requested that the petitions after being signed be returned to "NATIONAL STATES RIGHTS PARTY, DR. EDWARD R. FIELDS, INFORMATION DIRECTOR, P. O. BOX 783, BIRMINGHAM, Alabama."

"now packed every Monday night. After the speakings, the Harmony Boys entertain as late as the people wish, many times folks stay till after midnight to listen to the wonderful music these new members provide. All this, plus the workd's best food being served at 'Chester's' are two reasons the NSRP has become so strong in Montgomery. This serves as a model for other Branches of the NSRP to follow, music and refreshments will keep members and their friends attending meetings regularly.

"The Harmony Boys Quartet are James Craft, G. E. 'Red' Cannon, Lee McHee and Dennis Pouncey. These men are becoming one of the nations finest entertainers in the Gospel field. They are also heard over W.B.A.M. a 50,000 Watt radio station in Montgomery every Sunday afternoon at 12:30 . This group was officially organized two months ago and in this short length of time have traveled extensively and have recently recorded their first High Fidelity L.P. record. It consists of twelve of their most requested hits. This record can be obtained by writing the Harmony Boys, P. O. Box 8007, Montgomery, 10, Ala. The price is \$4. The NAACP supports their negro artists, so let us White people support this group of fine Christian young men.

"The Montgomery NSRP Branch has grown so fast that they have given 'The Thunderbolt' a standing order for 1,000 copies of every issue of this newspaper for mass distribution over the city of Montgomery every month from now on. Other NSRP Branches will have to work hard to catch up with this outstanding group in Montgomery."

"He was Pennsylvania Organizer for the National States Rights Party from 1960 to 1961 and organized a picketing of Sammy Davis, Jr., in New Jersey. When racial agitation was started by Freedom Riders on Route 40 in Maryland, Mr. Warner rushed to the scene with a crew of men and much literature to form the core of White resistance."

Winrod did.

"Rev. Winrod is 35 years old, married and has 6 children, and expecting another child any day."

On January 22, 1962, [] South Ozone Park, Queens, New York, self-admitted former officer in GEORGE LINCOLN ROCKWELL's American Nazi Party, advised SA [] that there is no NSRP activity in NYC to speak of since [] is only the titular head of the NSRP in NYC, possessing neither the "brains or ability" to be an effective leader.

RE: NATIONAL STATES RIGHTS PARTY
NATIONAL CONVENTION TO BE HELD IN
MONTGOMERY, ALABAMA
SEPTEMBER 1 - 3, 1962

"The Thunderbolt," self-described as the Official White Racial organ of the National States Rights Party, in its Issue No.44, dated August, 1962, on Page 3, carried a masthead captioned, "Montgomery to be Host to National States Rights Party Labor Day Convention."

The following article appeared under the above-mentioned masthead.

"NSRP CONVENTION MOVED TO MONTGOMERY ALABAMA

"The annual NSRP Convention has been changed from St. Petersburg to Montgomery, Alabama. Since our announcement in the last issue of the Thunderbolt many patriots have written us about attending the convention and many indicated that St. Petersburg would be too long a trip from where they were located.

"Montgomery, Alabama is known as the Capitol of the Confederacy and is one of the main tourist centers of the South, as well as a solid segregationist city. Being more centrally located most patriots in the South can reach Montgomery in one day by car and those from the North and West can plan their vacations so as to allow enough time for the trip.

"The NSRP has received commitments from people as far away as New York, Massachusetts, Arkansas, Ohio, California and Texas to attend the convention, as well as many from the closer Southern States. In view of those members and supporters from far away coming to the convention, every patriot within 1 day

driving distance of Montgomery should make it a definite point to attend. Right wing patriots from other organizations are invited to attend as well as we feel that this convention will give patriots a chance to gather together and help unify them under one banner.

"Those arriving in Montgomery for the convention should go directly to CHESTERS RESTAURANT, 3500 Mobile Highway, Montgomery and register to attend the convention. Registration will start on Saturday September 1st at 12 noon and continue till 10 p.m. registration will continue during the convention for those who arrive late, Sunday the 2nd the day before Labor Day.

"The First session of this one day convention will start at 12 noon Sept. 2nd and continue till 5 p.m. at which time a 1 hour intermission will take place to give patriots time to eat supper and the second session will start at 6 p.m. and continue late into the night.

"As patriots register at Chesters Restaurant they will be given the directions to the Convention Hall and information on overnight accommodations at local Hotels and Motels. Patriots can also eat good Southern food at Chesters restaurant and hear the States Rights Quartet sing while eating. Chesters Restaurant has eating accommodations for over 400 people."

Page three also carried another article which stated that Montgomery, Alabama, is to be the site of the National States Rights Party Convention for 1962. This article in part reads as follows:

"All patriots are requested to stay at the "Whitley Hotel." Reservations can be made by writing "The Thunderbolt." Dr. Edward R. Fields and staff will be registered at the Whitley. All should contact Dr. Fields on arrival.

"Nationally known speakers are to address the convention.

"Write now if you plan to attend. A convention brochure is to be issued detailing sessions of the convention and speakers.

"Date: Sept.2

"Time: 12:00 on till-

"Registration: All day Saturday, Sept. 1st at "Chesters Restaurant" 3500 Mobile Rd.

BROWN, NA, Montgomery, Alabama Police Dept., advised that he had ascertained on that date that the Montgomery City Auditorium had been rented for 9/2/62 by the National States Rights Party, for a national convention.

Mobile will have a minimum of three informants attending the convention on 9/2/62, but at this point none of Mobile's informants are particularly close to Dr. EDWARD R. FIELDS of Birmingham, Ala., or other national leaders of the National States Rights Party, being primarily acquainted with the local leaders and members. Accordingly, it is still desired that all offices who can send informants to this convention should make appropriate arrangements and secure Bureau authority. Offices are also requested to advise the Bureau, Birmingham, and Mobile of any estimate of the number of persons who may attend this convention from the individual field office territories.

Prompt replies to this request will enable the Mobile Office to make additional appropriate plans for handling this situation.

[] RAC) advised on 8/14/62 that several officers and members of Confederate Den 11, United Klans Of America, Inc., KKKK, at Montgomery, Ala. attended the meeting of the Montgomery Chapter of the National States Rights Party at Montgomery on the night of 8/13/62. Also attending this meeting were JESSE B. STONER, Dr. EDWARD R. FIELDS of Birmingham, Ala., EMORY BURKE of Montgomery, Ala., and three persons from Atlanta, Ga., or vicinity, one being identified as []. It is, therefore, readily apparent that this organization still maintains a substantial potential for violence, it being recalled that [] STONER, FIELDS, and BURKE all have a history of violent racial activities.

Page 1 of the above issue also carried an article captioned "Petition for Ten Million Names Being Circulated." This article stated that NSRP National Organizer Rev. OREN F. POTITO had announced that some 30,000 Christian Americans had signed petitions to restore prayer in the public schools. It also stated that in recent weeks, many Americans had seen twelve members of the NSRP Youth Movement on the streets of St. Petersburg taking signatures and passing out "Thunderbolts." The article stated that immediately after the Supreme Court ruling banning prayers in the public schools, Rev. POTITO had set up the NSRP National Christian Congressional Committee, with its main purpose being to secure some ten million names for prayer in the schools and to curb the power of the Supreme Court. The article urged party members to write "The National Christian Congressional Committee, P. O. Box 10924, St. Petersburg 33, Florida," for free tape recordings of Rev. POTITO's radio broadcast.

Page 3 also carried an article concerning Rev. POTITO. This article stated that the NSRP is now on radio in Florida. It stated the NSRP Hour program is now being broadcast over radio station WZST in Tampa, Florida, and that Rev. OREN POTITO, National Organizer of the NSRP, was chiefly responsible for this program being on the air. It was stated that the NSRP program was on the air from 9:30 to 10:00 A.M. every Saturday morning and on three times a week for 15 minutes, exact time not shown.

Page 2 of the above issue sets out an article reflecting that the NSRP was proud to announce that the "Hon. JESSE L. JAMES, III, the grandson of the original JESSIE JAMES," had joined the NSRP. The article stated that Mr. JAMES was an authority on Civil War history and that he was dedicated to carrying on the fight for the "White Race" that his famous grandfather started. It was stated that Mr. JAMES was an active NSRP member and was "helping us organize in Colorado."

Page 3 of the above issue carried an article captioned "N. Y. 'Storm'". This article stated that the New York NSRP publishes the "STORM."

BH 105-477

The above article further stated that copies of the "Storm" can be obtained by writing "'The Storm', % NSRP, New York Branch, P. O. Box 1243, Brooklyn 1, New York." The article stated that Mr. WILLIAM HOFF is the New York State Director, and DOMINIC RUSSO is the Editor, and urged NSRP members and supporters in New York State to contact Mr. HOFF and get information on how to organize units.

Page 3 also carried a photograph, under which appeared the notation "JIM THORNTON Studies Notes." Beside the photograph appeared an article which reflected that the California NSRP had been holding meetings and debates and that California State Organizer JAMES P. THORNTON held an outdoor meeting in Anaheim, California. This article also carried information to the effect that all NSRP members should note that the new address of the NSRP of California is "NSRP of California, P.O. Box 461, Santa Ana, California."

Page 3 of Issue Number 44 also carried a photograph under which appeared "Mrs. E. L. BISHOP Arkansas Leader." Beside the photograph appeared an article stating that the NSRP of Arkansas can now run candidates for public office on the same status as either the Democratic or Republican parties of that state, due to a ruling of the State Attorney General. This article also stated that Mrs. E. L. BISHOP, Arkansas State Chairman and Vice Chairman of the National NSRP was chiefly responsible for that victory. This article continued by stating that the NSRP of Arkansas issued a monthly news letter which can be obtained by writing "Arkansas NSRP News Letter, P. O. Box 2565, Little Rock, Arkansas."

Also appearing on Page 3 was an article reflecting that Rev. GORDON WINROD, described as the NSRP Chaplain, now has a permanent church building, office, and parsonage. The article indicated that Rev. WINROD published a monthly news letter and stated that he had been making great gains for the NSRP and speaking all over the nation and had announced plans to start broadcasting over the radio in the near future. This article informed readers that "Patriots" can get a sample copy of the "Winrod Letter" by writing P. O. Box 1322, Little Rock, Arkansas.

BH 105-477

Pages 4 and 5 of Issue Number 44 were devoted mainly to information concerning the formation of a new NSRP School of Racial Studies and Leadership Training program. It was stated that EMORY BRUKE would be in charge of this program, and that the new education center in Montgomery, Alabama, would be the headquarters of the NSRP Youth Movement. It was also noted that National Chairman NED DUPES stated he had issued EMORY BURKE a membership card, marked with the Serial Number 1.

Page 5 also contains several photographs of BURKE and a photograph of Dr. EDWARD R. FIELDS and MAX NELSON were shown on this page,

DETAILS:

"THE THUNDERBOLT" - Publication of the NSRP

"The Thunderbolt" is self-described as the "Official White Racial Organ of the NSRP."

A characterization of the NSRP is set forth in the appendix to this report.

BH 105-477

Issue No. 42 of "The Thunderbolt" for May, 1962, carried a photograph of a man under which was printed the name "Rev. OREN F. POTITO." An article set below this photograph stated :

"Honorable NED DUPES, National Chairman of National States Rights Party takes great pride in announcing the appointment of Rev. OREN F. POTITO as National Organizer. Rev. POTITO was the recent campaign manager for Admiral JOHN G. CROMMELIN in Alabama. Rev. POTITO brought and worked full time here in Alabama broadcasting to the people.

"Rev. OREN F. POTITO was born in Boston, Mass. He presently pastors a church in St. Petersburg, Fla. Rev. POTITO is also an electronics engineer and radio operator. He has earned a degree in Business Administration and has studied law. Presently he is South Eastern Director of the Church of Jesus Christ Christian. Rev. POTITO received his Doctor of Divinity Degree at the California Headquarters of the Church. (Dr. WESLEY SWIFT is its founder.) Rev. POTITO serves as Minister to three congregations, in Tampa, St. Petersburg, and Jacksonville, Fla. Rev. POTITO sends out some 70 taped talks per week to Churches in his District, of which he is Director, comprising 14 Southern States. Rev. OREN F. POTITO is National Member of the Angol-Saxon Federation of America with branches in most all free nations of the world. He is a member of the American Archeological Asso., and President of the Paul Revere Foundation and Paul Revere Society. Also, he is the Commander of the U. S. Rangers. One of the major points in Rev. POTITO's religious endeavors is in educating the American people to the fact that the Jews are positively NOT God's 'chosen people.' . . ."

BH 105-477

Page 1 of Issue No. 42 carried a headline "KENNEDY's Divorce Exposed!" and an article which in part reads as follows:

"Now, for the first time, "The Thunderbolt" publishes on this page the exclusive story of the official family tree report on DURIE MALCOLM (KENNEDY's first wife).

"This document on Mrs. KENNEDY's family tree is quoted from the 'BLAUVELT FAMILY GENEALOGY' and is on official record in the Library of Congress. Mrs. KENNEDY has in the past been married to Mr. FIRMIN DESLOGE, IV, and Mr. F. JOHN BERSBACH. Now the great question is, WHY HAS THIS VITAL INFORMATION BEEN SUPPRESSED BY EVERY SINGLE NEWSPAPER, MAGAZINE, WIRE SERVICE AND T.V. NETWORK IN AMERICA? This information is known to these 'news' media, but they are supressing the story on purpose. There is a gigantic plot to propogandize the American people into forfeiting all political leadership to the Kennedy family. BOBBY (SOX) KENNEDY is now being built up to take his brothers place in the White House, after two terms For J.F.K. We now have little brother TEDDY coming along into the U. S. Senate to be the third heir in line for the throne. THE CONTROLLED PRESS KNOWS THAT THE DIVORCE SCANDAL STORY OF J.F.K.'s FIRST WIFE WOULD COMPLETELY KILL THE CATHOLIC VOTE AND MUCH OF HIS PROTESTANT SUPPORT. THIS WOULD BE THE DEATH BLOW TO THE KENNEDY FAMILY PLOT TO RULE AMERICA AS A DYNESTY, MANIPULATED BY THE MINORITY BLOC VOTE MACHINE. . . ."

Page 1 of Issue No. 42 also set out a statement which was captioned "Genealogy on KENNEDY's First Wife." The following statement was set out below this caption:

BH 105-477

"BLAUVELT FAMILY GENEALOGY.

"Compiled between 1926 and 1956, pub. 1957 by The Association of BLAUVELT Descendants; Sponsored by the BLAUVELT -- DEMAREST Foundation, Inc., and individual subscribers. Library of Congress Catalog. Card, No., 56-10936., p. 884, Eleventh Generation (12,427):

"DURIE (Kerr) MALCOLM, (mother) ISABEL O. COOPER, (no.) 11,3034). We have no birth date. She was born KERR, but took the name of her stepfather. She first married FIRMIN DESLOGE IV. They were divorced. DURIE then married F. JOHN BERSBACH. They were divorced and she married third, JOHN F. KENNEDY, son of JOSEPH P. KENNEDY, one time Ambassador to England."

Pages 4 and 5 of Issue No. 42 contained an article entitled "THE INTERNATIONAL JEW" by "HENRY FORD of the Ford Motor Company."

Page 1 of Issue No. 43 of "The Thunderbolt" for July, 1962, bore the headline "PRESIDENT KENNEDY'S DIVORCE EXPOSED." A photograph of KENNEDY and his wife was also set out on Page 1 and the question "Are they legally married?" was printed immediately below the photograph.

Page 1 of Issue No. 43 also carried an article which reads in part as follows:

"Issue #42 of "The Thunderbolt" was the first newspaper in America to break the KENNEDY divorce story into print. Since that time four other newspapers have had the courage to print it. "The Thunderbolt" let the KENNEDY skeleton out of the closet and the dust hasn't settled yet. We have received long distance phone calls from all over America for more information. Daily newspapers have contacted us, as well as three calls from U.P.I. Much more is known now and the

BH 105-477

"story is still breaking fast. Here are the latest news items:

"1) JOHN F. KENNEDY reportedly married DURIE MALCOLM in Oyster Bay, Mass., in March of 1940.

"2) After their divorce she married Mr. THOMAS SHEVLIN. She has been living in Palm Beach and Long Island. (The property they now live on in Palm Beach is owned by JOSEPH P. KENNEDY - the Presidents father.)

"3) She refuses to discuss the divorce with reporters. No one is allowed to bring the question up at KENNEDY's press conferences.

"4) Compilers of the Blauvelt Genealogy refuse to talk.

"5) On Monday, May 21st (after 'The Thunderbolt' exclusive hit the streets) BOBBY KENNEDY sent Justice Department agents to the Library of Congress where they removed the now famous 'Blauvelt Genealogy.' (Photostat appears on this page, made before the KENNEDY family began burning books and destroying documents. . . .")

Page 3 of Issue No. 43 sets out photographs of SAMUEL I. NEWHOUSE, LEWIS ROSENSTIEL, and HARRY S. WEINBERG and also sets out articles written concerning each of them. Under the photograph of NEWHOUSE is printed "PRESS BARON OF NEW ORLEANS" and the article printed concerning him states:

"On June 4th Freedom of the Press died in New Orleans. At that time one SAMUEL I. NEWHOUSE, a Zionist Jew from New York City purchased both the cities morning and evening newspapers. He paid 42 million for the Times-Picayune and States-Item. This was the largest cash purchase in the history of

BH 105-477

"Journalism. Make close note of the growing list of newspapers on this page which have fallen into the octopus tentacles of the Newhouse family. It is the Newhouse habit to take over both morning and evening newspapers in a city. In Portland, Oregon, he had both the 'Oregonian' and the 'Oregon Journal.' In Springfield he moved into 'The Union' and 'The News.' In Syracuse, N.Y., he took over the 'Post-Standards' and 'Herald Journal,' not stopping there he took over the cities main T.V. Station, W.S.Y.R.-T.V. in Syracuse. In Birmingham, Ala., he bought out the 'Birmingham News' and has indirect influence over the 'Post-Herald' as they must use his building and presses. He also took over the most powerful Birmingham T.V. station W.A.P.I.-T.V. In Syracuse, N.Y., he is involved in Anti-Trust suit for trying to take over all the news media of that city, When one man moves in and buys up all your newspapers and T.V. stations, you are living under the most tyrannical and despotic situation. . . ."

Over the photograph of ROSENSTIEL is printed "LIQUOR BARON." The editorial is captioned "LEWIS ROSENSTIEL Is Distiller King." The editorial was apparently written by "ALLAN KELLER, World-Telegram Staff Writer," and the first paragraph of this editorial reads as follows:

"None of the famous whiskies that bear his label has aged as well as LEWIS ROSENSTIEL, the grand old man of American distilling, who will celebrate his 70th birthday tonight at the Century Club in Purchase, N.Y. . . ."

Over the photograph of WEINBERG is printed "TRANSIT BARON," and the article printed concerning him in part reads as follows:

BH 105-477

"HARRY WEINBERG, the out-of-towner who recently won control of the Fifth Ave. Coach Line and its subsidiaries after a long stock fight, is one of the most controversial figures to hit New York in years. . . ."

At the bottom of Page 3 is a separate paragraph which is quoted as follows:

"JEWISH MONOPOLY OVER AMERICAN BUSINESS MUST BE BROKEN. ONLY THE NATIONAL STATES RIGHTS PARTY BEING ELECTED TO GOVERNMENTAL POWER CAN BREAK THIS SINISTER AND ALIEN FORCE WHICH IS DAILY DEVOURING FREE ENTERPRIZE IN THIS UNITED STATES."

Pages 4 and 5 of Issue No. 43 carried an article entitled "The International Jew" by "HENRY FORD."

Page 4 of Issue No. 43 also set out an article entitled "Help Needed to Publish FORD Book," which reads as follows:

"It is going to take over two years for us to run the entire series as originally published in 'The Dearborn Independent,' official organ of the Ford Motor Co. We would like to publish this material in book form. It would be a 1,000 page book, hard cover with gold lettering. Our printer can do the job for \$4,500. If you are interested in investing in this worthy undertaking please write this office. Publication of this material in book form would have world wide effects.

"Dr. EDWARD R. FIELDS
Editor."

Page 8 of Issue No. 43 carried an article captioned "Atlanta--Gone With the Wind." This article states:

"Atlanta-Going-Going-Gone!"

"The pro-Communist N.A.A.C.P. holds its national convention in Atlanta, Ga., this year. The sell out mayor will open the convention by welcoming the scummy mob to the city. In preparing this city for the New York race mixers, the cities theatres, hotels, restaurants, etc., have been thrown open to the enemies of the White South. Atlanta has sunk as low as New York City. Atlanta is a disgrace to the South. The White people are moving out into the suburbs as quickly as possible. All of Georgia is looking toward the election of former Gov. MARVIN GRIFFIN to the Governorship and fighting Segregationist LESTER MADDOX as Lt. Gov. this Sept. While it may be too late to save Atlanta, they can surely isolate the city from the rest of the state, and preserve White traditions in the surrounding areas. Let this be a warning to other cities to what can happen when Negroes and Jews form a political block in any city."

Issue No. 44 of "The Thunderbolt" for August, 1962, on Page 1 sets out an article entitled "Kennedy's First Wife Flies to Switzerland."

The above article reads in part as follows:

"President KENNEDY's first wife, DURIE MALCOLM, has decided to take a vacation in Switzerland from the many requests for interviews about her former marriage to President JOHN F. KENNEDY. The two were married when J.F.K. was in his twenties. It was a rough and rocky road which ended in divorce. KENNEDY waited until he was in his mid-thirties before he married his present wife. The reason for all the mystery is that KENNEDY knows that if all this ever gets out to the general Catholic community, he and his entire family are dead politically for all time to come. Once Catholics know that he is NOT the good Catholic he pretends to be, and that he pulled the wool over the eyes of his church, the entire Catholic community will vote for anyone who runs against him.

BH 105-477

"Here is the latest news on the KENNEDY divorce story which continues to break into more details almost daily:

"WALTER WINCHELL in his July 25 column announces that 'The woman involved admits once dating the man (JFK) and he admits that too.' But, they still will not admit or deny the divorce story.

"Again commenting on The Blauvelt Genealogy document of the first marriage of DURIE MALCOLM to JOHN F. KENNEDY, WALTER WINCHELL stated on Aug. 1, 'Seven months ago we were told that if anyone "dared" to even hint at it, "they would be dealt with" - naturally, this sort of threat is enough to send a newspaperman chasing it down. The story was that JFK was married before he wed JACKIE; that PAPA JOE and friends had all records destroyed, that it no longer can be located in the Library of Congress, where it once appeared, etc.... A Washington columnist alleged that somebody was paid \$10,000 to remove it from the records.'"

Page 5 of Issue No. 44 carries a main heading "BURKE IS BACK," and a sub-heading "Policy Statements by EMORY BURKE." Page 5 contains several photographs of EMORY BURKE and also contains a photograph of BURKE with "MAX NELSON" and a photograph of BURKE with Dr. EDWARD R. FIELDS. BURKE's "Policy Statements" as set out on Page 5 were captioned as follows:

- "We Must Have the Youth"
- "Americanism"
- "Jew and Negro Problems"
- "Mongrelization"
- "Whiteman's Movement"
- "The Negro"
- "Slumberina Giant"
- "Race Foundation"

NSRP ACTIVITY IN ALABAMA

On August 28, 1962, Birmingham confidential informant T-1 advised that Dr. EDWARD R. FIELDS continues to reside at 1509 Mims Street, S.W., in Birmingham, Alabama.

Issue No. 44 of "The Thunderbolt" for August, 1962, reflects that Dr. EDWARD R. FIELDS continues to serve as Editor of "The Thunderbolt," P.O. Box 783, Birmingham, Alabama.

Page 3 of Issue No. 44 of "The Thunderbolt" carries a headline "Montgomery to be Host to NSRP Labor Day Convention."

Page 3 carried an article which reflected that the annual NSRP convention had been changed from St. Petersburg, Florida, to Montgomery, Alabama. The article stated that those arriving in Montgomery for the convention should go to Chesters Restaurant, 3500 Mobile Highway, Montgomery, and register to attend the convention. It was stated that registration would start on Saturday, September 1 (1962) at 12:00 Noon and continue until 10:00 p.m. with registration continuing during the convention for those who arrive late.

Page 3 of Issue No. 44 of "The Thunderbolt" contained another article concerning the NSRP Convention for 1962 to be held in Montgomery, Alabama, and this article in part reads as follows:

"All patriots are requested to stay at the 'Whitley Hotel.' Reservations can be made by writing 'The Thunderbolt.' Dr. EDWARD R. FIELDS and staff will be registered at the Whitley. All should contact Dr. FIELDS on arrival.

"Nationally known speakers are to address the convention.

"Write now if you plan to attend. A convention brochure is to be issued detailing sessions of the convention and speakers.

BH 105-477

"Date: Sept. 2

"Time: 12:00 on til -

"Registration: All day Saturday, September 1st
at 'Chesters Restaurant,' 3500 Mobile Road."

Page 4 of Issue No. 44 of "The Thunderbolt" reflects that EMORY BURKE had joined the NSRP and that National Chairman NED DUPES had stated that he had issued EMORY BURKE a membership card with the serial number one. An article printed on Page 4 reflected that the issuance of such a card to EMORY BURKE represented their feeling that EMORY BURKE was the number one member of the NSRP. The article further stated that EMORY had given up his present position to become a fulltime worker in the NSRP and that he would be President of the NSRP School of Racial Studies and Leadership Training. It was stated that BURKE would also direct the new Speakers Bureau of the NSRP.

Page 4 also set forth a photograph of a building purporting to be the new Education Center of the NSRP in Montgomery, Alabama, and above the photograph of this building was the caption "NSRP School of Racial Studies and Leadership Training." Below the photograph of the Education Center appeared an article which pointed out that a NSRP school was to open and that for this purpose the NSRP had acquired a building on the outskirts of Montgomery, Alabama. The above-mentioned article pointed out that this building would provide living quarters for the students, office, and classroom, and that EMORY BURKE would be the President of the Training School. The article also stated that it was hoped that the first classes would be started in September.

On July 29, 1962, BH T-1 advised that there will be a National Convention of the NATIONAL STATES RIGHTS PARTY at the Municipal Auditorium at Montgomery, Alabama, on Sunday, September 2, 1962. Informant stated that on the nights of September 1 and 3, 1962, there will be meetings for special members only of the NSRP. He said that the Sunday meeting, September 2, would be open to the general public.

BH 105-477

T-1 stated he understands that Dr. EDWARD R. FIELDS, Information Director of the NSRP and Editor of "The Thunderbolt," official newspaper of this group, said recently that the present circulation of this newspaper is approximately 50,000. FIELDS was heard to say that he received 250 new subscriptions in July, 1962, and that he is having 15,000 additional copies of the June issue printed in order to partially meet the demand for this particular issue, which set forth information that President JOHN F. KENNEDY had been married and divorced previous to his present marriage.

NSRP ACTIVITY IN ARKANSAS

Page 8 of Issue No. 42 of "The Thunderbolt" carried an article captioned "NSRP Membership Campaign Grows in Arkansas." This article reads as follows:

"NSRP general counsel Atty. J. B. STONER is organizing NSRP units in Arkansas and Tennessee. New officers in Arkansas are Mr. E. L. BISHOP, State Chairman; EMMETT MILLER, Vice Chairman; and Mrs. BARDIN, Secretary. New Units were organized in West Memphis, Ark. and Memphis, Tennessee under the leadership of FRANK WHISMAN and EMMITT MILLER.

"Mrs. BISHOP, who is editor of the "NSRP Arkansas Newsletter" (P.O. Box 2565, Little Rock, Ark.), recently led a delegation of NSRP representatives to the National Indignation Convention which was held in Dallas, Texas. The response to the 'Impeach KENNEDY Petitions' was enthusiastic as all those attending the Convention were handed their Petitions."

The article stated that Florida members of the NSRP who would like to have Rev. POTITO hold meetings in their areas should contact him by writing "P.O. Box 10924, St. Petersburg 33, Fla."

Page 1 of Issue No. 44 also carried an article captioned "Petition for Ten Million Names Being Circulated." This article stated that NSRP National Organizer Rev. OREN F. POTITO had announced that some 30,000 Christian Americans had signed petitions to restore prayer in the public schools and that their campaign was quickly spreading. This article stated that in recent weeks many Americans had seen twelve members of the NSRP Youth Movement on the streets of St. Petersburg taking signatures and passing out "Thunderbolts."

The above article also stated that after the Supreme Court ruling banning prayer in the public schools, Rev. POTITO immediately set up the "NSRP National Christian Congressional Committee," with its main purpose being to secure ten million names for prayer in the schools and to curb the power of the Supreme Court. This article urged party members to write "The National Christian Congressional Committee, P.O. Box 10924, St. Petersburg 33, Florida, for a free tape recording of Rev. POTITO's radio broadcasts exposing the Supreme Court's ruling and the red influence behind it."

NSRP ACTIVITY IN ILLINOIS

Issue No. 42 of "The Thunderbolt" for May, 1962, on Page 8 sets forth information that the Illinois Branch of NSRP intended to hold a meeting on Saturday, June 16, 1962, at the La Salle Hotel, Chicago, Illinois. The meeting, according to this announcement, was scheduled to commence in Parlor F of the mezzanine, La Salle Hotel at 8:30 p.m. and an admission charge of \$1.00 plus exhibition of membership card would be expected of those attending. Personal guests, the announcement stated, were welcome. MAX NELSEN, III, was identified as host for the meeting and as Chairman of the Illinois NSRP.

BH 105-477

On June 19, 1962, Birmingham confidential informant T-2 advised that on Saturday night, June 16, 1962, at 8:45 p.m. a meeting was held in Parlor F, La Salle Hotel, La Salle and Madison Streets, Chicago, Illinois. The meeting had been advertised, source stated, as a gathering of the NSRP. MAYNARD O. NELSEN chaired the meeting and in his opening remarks stated that the meeting had been called by himself as Illinois representative of the NSRP; however, the meeting was of the Institute for Biopolitics.

According to T-2, approximately 55 persons attended this meeting among whom was a representative number of members of the American Nazi Party in Chicago, Illinois.

T-2 also stated that NELSEN began the meeting with a 45 minute introductory talk in which he explained that the Institute for Biopolitics is an organization established to help prevent racial suicide by the white race and to help the white race to continue to exist without being "swallowed up" by the black masses. NELSEN stated that his purpose for calling this meeting was to explain this fact and to acquaint the people with the situation today.

On June 16, 1962, Birmingham confidential informant T-3 advised that only two individuals served as speakers during the course of the meeting on June 16, 1962. Source identified these speakers as MAYNARD NELSEN, Illinois representative of the NSRP and GEORGE LINCOLN ROCKWELL, National Commander of the American Nazi Party.

T-3 also stated that NELSEN in his opening remarks made reference to the critical racial situation that faces the white man today. NELSEN pointed out that the saturation point in man's continual crisis of evolution had been reached and that the white man must surpass this crisis to go to his doom. The task of the white man is not to preserve or increase life but to "cull it." The white race, NELSEN stated, which can and will change the shape of mankind, has become a dominant force in the world. Race nationalism is on the rise throughout the world. Source stated NELSEN offered as an example, the Black Muslims which he described as a race nationalist movement. He also cited as a second example the existence of Asiatic race nationalism in Communist China today whereby all outsiders are referred to as barbarians.

BH 105-477

T-3 stated that NELSEN among other things remarked that he has never been a member of the original National Socialist German Workers Party nor is he now a member of the American Nazi Party. He noted he is well aware of the racial problems facing the white man today and that he has studied "this man HITLER." NELSEN stated that he, as a race nationalist, recognizes ADOLPH HITLER as a race nationalist, but stated HITLER was placed in an unfortunate position because he became involved in "German chauvinism." NELSEN theorized, source stated, that if ADOLPH HITLER had been born in Chicago or Detroit he would be a participating member of organizations such as the Institute for Biopolitics, the National States Rights Party, and the American Nazi Party. However, NELSEN remarked that what is today is today and that is what is important. The past should be of no concern to us. We recognize traditions, we recognize errors, we recognize our mistakes.

T-3 further advised that NELSEN introduced GEORGE LINCOLN ROCKWELL as the National Leader of the American Nazi Party. T-3 stated that ROCKWELL spoke at great length concerning his belief and opinions and charged "that Jews are destroying our youth and our art. T-3 stated that ROCKWELL, among many other things, remarked that he was of the belief that there are people all over the country who receive courage from knowing there is someone who hates "the Jew and is not afraid to say so."

The article continued by stating it was the job of the NSRP in New Orleans to check the records of each candidate, to alert the people as to whom to vote for. It was stated that "Information Director of New Orleans, Mr. RANDALL TRUDEAU, has been doing a good job of alerting the people."

BH 105-477

The above article urged all members in the New Orleans area to contact "Mr. TRUDEAU (5926 Patton St., New Orleans 15, La., call T.W. 9-6880)" in order to find out what could be done to help the NSRP in New Orleans. It was stated that the New Orleans NSRP held regular meetings the last Monday of each month.

NSRP ACTIVITY IN NEW MEXICO

Issue 42 of "The Thunderbolt" on Page 3 carried an article captioned "New Mexico Minister Makes Stand." This article reflected that the Rev. DAVID K. STACEY, a Korean veteran, was showing White Patriots that individual action could be the key to success in exposing the "Communist-Jews." The article stated that STACEY preached in non-denominational churches in Western and Southwestern states, and that while exposing Communism as being a creation of the Jews, he also calls for repatriation of Negroes to Africa.

The above article stated that STACEY has his headquarters at 608 West Animas Street, Farmington, New Mexico, and that he is getting the message of the NSRP over to the people of New Mexico by distributing "Thunderbolts" and displaying anti-Jewish signs on his automobile.

The article stated that some of the picket signs read: "Forced Integration is White Slavery" and "We Want Representation not Communism."

The article further urged NSRP members in Ohio to contact their state headquarters: "NSRP, P. O. Box 42, Walnut St. Station, Dayton 2, Ohio."

Page 3 of Issue No. 42 also carried photographs purportedly of IRVING THACKER and others participating in the above-mentioned picketing on April 19 in Dayton, Ohio.

This article stated that Mr. NED DUPES, National Chairman of the National States Rights Party, had been the featured speaker of the Ohio statewide meeting of the NSRP which had been held on Saturday, June 23 in Dayton, Ohio.

This article stated that members and supporters from Cleveland, Cincinnati, and all parts of Ohio had attended the meeting. It was stated that Mr. IRVING THACKER, described as Ohio State Chairman, was to be congratulated for his successful work in making the meeting a real show of NSRP unity and strength. The article urged Ohio members to write Mr. THACKER in order to get on the mailing list to receive the "NSRP Ohio State Bulletin" by writing to "NSRP, P. O. Box 42, Walnut St. Station, Dayton 2, Ohio."

AMERICAN NAZI PARTY, ALSO KNOWN AS WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization is furtherance of these objectives, has consisted of picketings with anti-Jewist and anti-Negro placards and talks by ROCKWELL attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

He referred to situations in California throughout his speech and at times was very critical of U. S. On September 12, 1962, the same confidential source advised that a mixed group of 50 to 60 persons attended the September 11 meeting at the Harvey Seeds Legion Post 29. Dr. WESLEY SWIFT was introduced by OREN FENTON POTITO, national organizer, NSRP. According to the source, statements by SWIFT were not as anti-semitic as made the previous night. RE: NATIONAL STATES RIGHTS PARTY

"IMPEACH JFK, HE URGES

"Right Wingers Rally Here

"It was something like an old time revival meeting but the message from the preacher was 'the white Christians must stand together to end the conspiracy that controls the country.'

"More than 50 of Miami's far right-wing assembled at the Harvey Seeds Post of the American Legion Tuesday to hear the Rev. Dr. Wesley Swift.

"Dr. Swift, a sort of non-militant George Lincoln Rockwell, hails from California and claims to have access to some top U. S. security files. He said he has the facts to prove that:

"The NAACP, American Civil Liberties Union, United Nations, U. S. banking -- including the Rockefellers -- the New York Times, President Kennedy and the Federal Reserve System are controlled by 'Jewish Communists who want to control the world.'

"He kept the audience -- which ranged from fuzzy cheeked youths to white haired old ladies with long hat pins -- applauding with calls for impeachment of President Kennedy and the Supreme Court.

"Receiving special attention during the talk was a group of 10 Cubans who represented the Christian Nationalist Movement of Cuba. They have been helping to pass out petitions calling for Congressional repeal of the Supreme Court decision banning official prayers in schools.

RE: NATIONAL STATES RIGHTS PARTY

"Dr. Swift said the decision on prayers 'helped the Communists.'

"For almost two hours, he hammered home his theme that 'survival of the white race' is the most important thing today.

"As people entered the meeting, they were handed free copies of 'the Thunderbolt,' a sheet published by the National States Rights Party."

On September 12, 1962, Detective [] advised that two officers from his department attended the meeting at the American Legion Hall on the evening of September 11, 1962. He stated that the car license numbers were noted on all vehicles in the area and many were the same as obtained the previous evening. [] noted that all the vehicles were from the Miami area and some belonged to the members of the American Legion who did not attend the meeting but were using the facilities of the American Legion bar.

[] Jacksonville, Florida. [] told Officer [] that he was driving Dr. SWIFT to Jacksonville, Florida, on the evening of September 11, 1962, and that he stayed with Dr. SWIFT most of the time.
